Little Flower Kannada Higher Primary School
Hospet Vijayanagara

Our school celebrated Children's Day with great joy and enthusiasm. The programme began with a prayer seeking God's blessings for all the children. The prayer created a peaceful and positive atmosphere.

This was followed by the prize distribution ceremony, where prizes were awarded to the winners in recognition of their achievements and talents. The students felt encouraged and motivated.

The cultural programme added colour to the celebration. Teacher’s presented various dances, songs and other entertaining performances, showcasing their talents and creativity.

The celebration was a memorable occasion filled with happiness, excitement and togetherness. The programme concluded with a vote of thanks.
