REPORT OF SCHOOL ACTIVITIES – 2026-27

"**The purpose of education is to make good human beings with skill and expertise……**
Enlightened human beings can be created by schools – Dr.A.P.J. Abdul Kalam.

The school activities report undoubtedly showcases the achievements and accomplishments of our school. The school has always been committed to create an environment in the school which helps the young minds to blossom and provides a plat-form for independent thinking and holistic development of every child.

➢ School Reopened day celebration

The School was reopened for the academic year 2026-27 on June 1 2026 . The School was decorated beautifully and we started our new class with new books and new hopes.

Kindergarten Reopen Day .

The kindergarten section was reopened on june 8th 2026 Classes were decorated to create a warm and welcoming atmosphere for the children.

World Environment day – Our school celebrated World Environment Day in the month of July with great enthusiasm. Students planted saplings and learnt the importance of keeping our surroundings clean and green.

Yoga Day - Our school celebrated International Yoga Day on June 21st with great enthusiasm. A students and teachers actively participated in the programme. Students performed various yoga exercises and learned the importance of yoga in mandating good health. The programme created awareness about the benefits of yoga for a healthy mind and body.

Rhymes Activity – A rhymes activity was conducted for the kindergarten students. Children enthusiastically recited different rhymes with actions and expressions. The activity helped improve their memory, pronunciation, confidence and speaking skills. All the children enjoyed the activity.
