Our Moto: Lead all from Darkness to light.

Our vision: Our school emphasizes the integral growth of the children. It guides them to be intellectually enlightened, Morally Upright, spiritually oriented, Socially Committed and emotionally balanced persons.

Our Mission:

- Imparting quality education to attain academic excellence.
- Inculcating spiritual and ethical values in the minds of children
- providing excellent facilities and training to achieve physical fitness.
- Instilling social values such as justice, truth, love, peace, harmony and dignity.
- Propagating religious harmony, national integration and concern for the weaker section of the society.
- Trying to explore the unexplored talents within the children.
- Training the students to meet the global and educational challenges of the present century.

Besides academic we emphasizes sports and games, extra-curricular activities, such as classical dance, western dance, art and craft, drawing, painting, knitting, vocal and instrumental music, yoga, karate etc. School trip, science exhibition and talent fest are held every year.
