Kengeri, Bangalore -560060

St. Theresa's School, Kengeri is a Catholic Educational institution established on 23rd March 2022 run by the Missionary Sisters of Mary Help of Christians (MSMHC) to impart holistic education to all the students. It is in our educational system to lay a solid foundation to build the kind of persons for the nation, through holistic and concrete education. Therefore, St. Theresa's School runs basically on its flameboyant vision plan of imparting quality education to students. Ample opportunities are provided to the students to develop their potentials through various activities. Special attention is given to ensure high standard morality, discipline and character formation in the school.

AIM : St. Theresa's School primarily aims at imparting sound formation in moral, psychological, social, intellectual and physical strata of life to all the students admitted to this institution.

VISION : The vision of St.Therasas School is to 'Educate persons with character and competence to build a civilization of love'. To encounter the imminent challenges of today's competitive world, one needs to be creative, excellent and competent.
