

ST. GASPAR VIDYALAYA, KITHIGANUR,

St. Gaspar Vidyalaya (EM) Recgd by the Government of Karnataka, is located at Kithiganur, KR Puram, Bangalore, and the school is run by the Society of the Precious Blood Missionaries. It was established in the year 2004, with the objective of imparting the education to the economically backward students, inhabited in and around Kithiganur village. The motto of the school is *Science Service Success*. We provide the best education with a low fee, which is affordable to the lower stratum of the society. The curriculum that is followed is as prescribed by the Karnataka state Board. Along with the Academics we focus on the holistic development of the child, throwing light in Co-curricular activities, like cultural, sports, Scouts and Guides, yoga. We also encourage the students to partake in the interschool competitions, like sports and we have won prizes in the cluster and Taluk levels. There are periodical health & Eye check ups for the children, and identify the problems and provide medication, considering the localities the students come from. The institution emphasises on the discipline, social behaviour of the student in and outside the school, and the parents are happy about the service that we render. The alumni are the witnesses of service as they are very grateful for the base they received from the institution. We hope to give the best to the marginalised, paving the way for their better future.

The Principal

Fr. Chakravarthi Geddada
