**Patron:** The school is named after St. Vincent De Paul, a visionary of the 17th century who transformed society by selfless dedication and devotion to the cause of the downtrodden and the less privileged.

St. Vincent De Paul was born at Pouy, in France, in the year 1581. He had four brothers and two sisters, Vincent De Paul studied humanities in Dax, France with the Cordeliers and he was graduated in theology at Toulouse.

In 1625, Vincent De Paul founded the Congregation of the Mission, a society of priests commonly known as the Vincentians. In 1633, with the assistance of Louise de Marillac, he founded the Daughters of Charity. Vincent De Paul was renowned for his compassion, humility and generosity. He was singularly faithful to the duties of his state, careful to obey the suggestions of faith and piety, devoted to prayer, meditation, and all the religious and ascetic exercises. Of practical and prudent mind, he left nothing to chance. He died at Paris, on 27 September, 1660. When he died the poor of Paris lost their best friend.

#### **Aims and Objectives:**

The primary objective of De Paul Public School is to impart sound formation (physical, mental, social, moral, religious, eco-friendly) based on the principles of Christian faith, to the young minds. The institution also aims at an integrated development of all stakeholders.

The method of education followed in this institution is the one taught and practised by St. Vincent De Paul, a great educator and social reformer. It is based on the reverential love for God, on Conviction, on the helpful presence of the educator for timely corrections and guidance.

St. Vincent termed it as Reason, Religion and Loving Kindness. The following subjects are being taught in the school with a view to prepare pupils for their CBSE Examination: English, Kannada, Hindi, Mathematics, Life Science, Physical Science, History with Civics and Geography and Computer Applications. The other subjects are Work Education, Physical Education, Moral Science and General Knowledge.
