This year marks an important milestone in the history of our institution. Rev. We sincerely thank her for her valuable contributions to the growth of our institution.

The responsibility of leading the school and college has now been entrusted to Rev. Sr. Pavithra FCC, whose efficient leadership and vision continue to guide the institution toward greater excellence.

Student Leadership

To uphold the spirit of leadership and responsibility among students, dynamic leaders were elected for the academic year.

Master Renith Thomas – College Pupil Leader

Master Aron Alex – School Pupil Leader

They are supported by an energetic team of cabinet members.

Teaching Staff and Students

As Malala Yousafzai rightly said: “One teacher, one child, one book, and one pen can change the world.”

Inspired by these words, the committed staff members of St. Francis continue to mould the lives of around 630 students with dedication and care.

Academic Excellence

The SFS family proudly recognizes the remarkable achievements of our SSLC and PUC students during the academic year 2025–2026.

We are proud to announce that our institution achieved 100% results in both SSLC and PUC examinations. All the students secured First Class and Distinction marks, bringing great honour to the institution.

This outstanding achievement reflects the hard work, dedication, and perseverance of our students, along with the sincere efforts of our teachers and the constant support of parents.

Congratulations to all our achievers for continuing the glorious tradition of excellence year after year.
