

HOLY SPIRIT EDUCATIONAL SOCIETY

Secretary – **Sr. Theresa Rebello SSpS**

Holy Spirit School (CISCE) run by Holy Spirit Educational Society is located at **Convent of the Holy Spirit, SOS Post, and Bannerghatta Road, Bangalore - 560076**. It has 115 teaching and non-teaching qualified staff. The Institution provides holistic education to more than 2000 students by helping them to equip themselves with not only academic studies but also with extra-curricular activities like classes on Abacus, Mental Ability Enhancement Training , Dance & music, Karate, Artificial Intelligence courses and Sports coaching classes etc... Our school takes up Agro Based Industrial tour/ Picnic/outing/ exposure programmes, motivational sessions etc... which enable the staff and students to be close to nature and to one another.

The Institutions also commemorates different national and religious festivals such as Kannada Rajyotsava, Independence day, Republic day, Diwali, Christmas , International Yoga Day, International Men's day, International Women's Day Children's' day, Environment Day(plantation drives) etc... to imbibe in them the love for nation, humanity and nature. Apart from these celebrations the institution celebrates annual mega events such as Exhibition, Sports Day and School Day. The institution gives importance to visiting special schools, visiting home for destitute like 'Home of Hope' and contributing to the less privileged(clothes, groceries etc...) in order to inculcate in them the humanitarian values such as care and compassion.

Unique to the institution, Holy Spirit School (CISCE) took up the idea of reflecting upon and empowering students, parents and the public regarding the Sustainable Development Goals of United Nations. During the common assemblies by all the classes and in assembly talks by teachers the goals were reflected deeply throughout the year. As a matter of empowering and enlightening the public the school organized the school day under the theme 'Attune with Seventeen'. The display was appreciated by everyone.

In view of 'health and wellbeing' of students, the school encouraged children to consume healthy food items instead of junk food items through a program called Monthly Wednesdays Nutrition Plan. Wednesdays of every month excited children to bring unique items and eat along with their friends in the classrooms.

Notably, Holy Spirit School (CISCE) organized the Zonal level and Regional Level Kho-Kho competitions which gained popularity and recognition among the schools as well as in the vicinity. As a matter of pride the institution won five out of twelve trophies. 24 of our students played in the SGFI Kho tournaments and 4 players participated in the Karnataka Mini- Olympic Games.

In fact, 'Champions' has been the hallmark of Holy Spirit School (CISCE).
