

SCJAT SISTERS OF CHARITY

Secretary – **Sr. Jaba Mary SOC**

The academic year 2025–2026 at Nemesia Academy commenced on June 2 with a solemn inauguration led by Fr. Nadhan. The year began with meaningful celebrations, including Environment Day on June 5, promoting environmental awareness among students. On June 15, the school celebrated the birthday of our Principal, Sr. Celine, along with a heartfelt farewell for the Manager, Sr. Little Jyothy.

International Yoga Day was observed on June 21, where students from various grades showcased impressive yoga postures, reflecting discipline and inner peace. The Investiture Ceremony held on June 27 instilled leadership qualities among students in the presence of esteemed guests. The same day also marked the celebration of the Feast of Blessed Nemesia. The month concluded with Green Day celebrations for Kindergarten students.

July was filled with co-curricular activities including sports competitions, drawing competitions, and an Elocution Competition, fostering creativity and communication skills. Teachers also attended a Basic Life Support (BLS) and CPR training session conducted by experts.

In August, students actively participated in inter-school events, including the IGNITE cultural fest and the State-Level Kickboxing Championship. Independence Day was celebrated with patriotic fervour through competitions and a grand celebration. The Pick and Speak competition further enhanced students' confidence and spontaneity.

September brought vibrant celebrations of Teachers' Day and Onam, along with Flower Day and Community Helpers Day for Kindergarten students. In October, the school celebrated special occasions and conducted a Science Exhibition, where students showcased innovative projects, encouraging scientific thinking and teamwork.

November featured various competitions such as essay writing, drawing, debate, and workshops that enhanced academic skills. Motivational sessions and Olympiad examinations were conducted in December, along with joyful Christmas celebrations. The Annual Sports Day on December 22 was celebrated with great enthusiasm, highlighting students' athletic talents and team spirit.

The New Year began with Makara Sankranti celebrations, followed by inter-school competitions like skating. Students also participated in various academic and cultural activities, including vocabulary competitions and interactive programs by pre-primary students.

The year concluded on a proud note with the UKG Graduation Day on March 7, marking an important milestone for young learners in the presence of distinguished guests.

Overall, the academic year was a harmonious blend of academics, co-curricular activities, values, and celebrations, nurturing students into confident, responsible, and well-rounded individuals.
