

## **St. Dominic's School Bangalore**

St. Dominic's School, a vibrant educational institution that had its humble beginning in the year 2001. The school is managed by the Dominican Sisters of Santa Maria of the Rosary. The school imparts to all students an all-around development through education and extra-curricular activities without distinction of any caste or creed as per the aspiration of the founder, Fr Didaco Bessi, Italy. The school provides a vibrant learning culture, a strong academic standard, and an ideal platform for the bright future of our children.

The school curriculum is based on the directives from ICSE board to help foster the growth in all candidates. The school usually re-opens every year in June after the summer vacations, unless instructed otherwise. The school expects punctuality from students right from the day one in all aspects of academics. Periodic tests and examinations will be conducted to the students every year which provides a strong foundation in skills helping them to learn better in all the subjects. Weekly quiz is also been conducted at sub-junior, junior and senior levels to update their knowledge.
