# International Yoga Day

Apart from concentrating on the intellectual growth of the students, St. Charles High School always gives importance to the mental, physical and emotional growth of every Charlian by including Yoga as a part of their school life. Mr. Anand Prakasha, Yoga Therapist conducted basic Asanas and Meditation for the students of Grade 5 to Grade 10.

# Igniting Minds

Our Grade 10 students had the privilege of attending an enlightening orientation, 'Igniting Minds', on June 25, 2025, in the school auditorium. Led by esteemed resource person Dr. Diana Manoshi, Consulting psychologist at Mount Fort College, Bangalore. The session empowered students to understand themselves better and develop self-awareness. Through interactive group activities and discussions, students explored their strengths, weaknesses, and the thrill of adolescence, including the role of dopamine in their brains. The workshop provided valuable insights into impulsiveness, vulnerability to addiction, and hyper-rational thinking, making it a thought-provoking and memorable experience. Students gained a deeper understanding of themselves and their identities, truly igniting their minds!

## Self awareness

---

The capacity to understand one's own *thoughts, feelings, and behaviors*, and how they **impact** self and others.

It involves recognizing one's *strengths, weaknesses*, and how one's **actions** are **perceived** by others.
