EVENT: ELENTRA 3.0
DATE: 31.08.24

'ELENTRA,' the Computer Science Fest, was a vibrant celebration of artificial intelligence and a platform to enhance the tech savviness of students. The event featured a variety of engaging on-stage and off-stage activities, including Filmora, Key Blaze, digital poster making, and many more, each designed to ignite creative and analytical skills. The fest was graced by the presence of distinguished guests, including Dr.Kalaiselvi, Associate Professor and Program Coordinator for Computational Studies at KristuJayanti College, Bangalore, and Ms.Konyn Tuba Lappay, Assistant Professor in the Department of Computer Science at REVA University. Dr.Kalaiselvi delivered an inspiring speech, emphasizing the efficient and effective use of technology, highlighting its potential to be a tremendous asset to humanity in the future. The event was a remarkable success, fostering a spirit of innovation and learning among the students.
