

Report on the World Environment Day, 5th of June, 2024

Sophia High School, commemorated World Environment Day on June 5, 2024. Events were organized in order to create awareness about this year's theme "Land

Restoration, Desertification

and Drought Resilience". The students were encouraged to create placards based on the same. A drawing competition was also

organized from Grade 5 to Grade 12 and the winners were awarded

prizes. A plantation drive was also

initiated, with flowering plants being planted in the school premises by

Sr. Alpana, the High School Principal,

Sr. Vishala, the Middle School Principal,

Sr. Madhuja, the Principal of Sophia

Opportunity School,

Sr. Pushpa, the Treasurer of Sophia High School along with the students

and teachers of Environmental Science Department and the Interact

Club. The students were asked to bring seeds to school and they made

seed balls which were taken home to be

nurtured in order to create a green

corner in their homes. A lot of

enthusiasm was seen in the kids who

brought seeds of different varieties of

herbs and vegetables. The event was

conducted successfully with whole hearted participation and awareness for a greener World.
