3 Secretary's Message

4 KRCE Governing Board & General Body Meetings

5 Profile from the 14 Dioceses

6 Religious Congregations/Lay Societies Profile

Introduction:

The Karnataka Regional Commission for Education (KRCE) strives to form humane individuals who are academically competent, morally upright, spiritually enriched, professionally skilled, socially responsible, and deeply inspired by the love and compassion of our Master, Jesus Christ. It aims at the holistic formation of individuals who embody virtues such as courage, honesty, compassion, generosity, faithfulness, integrity, fairness, self-discipline, and prudence.

The Commission endeavours to create a nurturing system and environment in every Catholic institution where committed and dedicated educators guide students to lead lives rooted in integrity and faith. It gives special emphasis to strengthening Catholic values and promoting ethical and responsible conduct.

Its key priorities include promoting the welfare and safety of children, safeguarding minority rights, upholding constitutional values, and fostering democratic principles. The Commission is committed to inclusive education, with particular concern for economically disadvantaged students who face social inequalities and digital barriers.

Guided by the directives of the Church and the guidelines of the government, KRCE seeks to make education a joyful, stress-free, and collaborative community experience, while ensuring the integral and holistic development of every learner.

Vision:

Our educational institutions are centres of 'Good News' for all, especially the poor and the marginalized.

Mission:

Empowerment and liberation of every human being, especially the poor and the marginalized (the Dalit community, the migrants and the tribal groups), through holistic education centred on Gospel values (love, compassion and justice) leading to the transformation of self and society.

Goal 1. Students and parents appreciate Catholic Educational Institutions for providing holistic development.

Goal 2. Every educational institution embraces universal values and diversity and adheres to compliance and mechanisms.

General Objectives of the KRCE:

The Society is established with the objective of promoting, establishing, administering, managing, and maintaining educational institutions of all levels, including professional and vocational institutions. These institutions shall primarily serve the Catholic Christian community as a religious minority while remaining open for the welfare of all people irrespective of religion, caste, or community, with special concern for the economically and socially disadvantaged sections of society.

The Society aims to promote education based on Christian principles and values, upholding social justice, equality, and national integration. It shall protect and promote the interests of Catholic educational institutions, safeguard their minority rights as guaranteed under Article 30 of the Constitution of India, and represent their concerns before Government authorities and public bodies.

The Society shall encourage cooperation with other minority institutions, associations, and organizations having similar objectives. It may also publish and circulate relevant educational information and undertake activities that contribute to the growth and improvement of educational services.

To achieve its objectives, the Society may establish and support educational institutions, receive grants, donations, gifts, funds, and acquire movable or immovable properties. It may construct, maintain, improve, manage, develop, sell, or otherwise deal with properties belonging to the Society as required for fulfilling its mission.

The Society shall have the authority to manage and invest its funds responsibly, provide financial assistance to educational institutions, employ necessary staff, and enter into suitable agreements with Government bodies or other authorities to secure rights, privileges, concessions, and support beneficial to its objectives.

The Society shall develop policies and procedures that strengthen institutional growth and undertake all activities necessary or incidental for achieving its aims. All income and resources of the Society shall be used exclusively for fulfilling its objectives and shall not be distributed among members or any other individuals.

The Secretary-cum-Treasurer of the Society shall be authorized to communicate and correspond with the Registrar of Societies, Bangalore, regarding all matters related to the affairs of the Karnataka Regional Commission for Education.

THE AIM OF EDUCATION IS THE KNOWLEDGE, NOT OF FACTS, BUT OF VALUES."

— WILLIAM S. BURROUGHS

In a world constantly evolving technologically, socially, and economically, education remains the one force capable of guiding humanity toward a more just, informed, and compassionate future. It is more than a tool for individual advancement; it is a catalyst for collective transformation. Education is where change begins. It ignites the mind, nurtures critical thinking, and awakens the potential that lies within every person. A well-educated society does not simply produce skilled workers; it cultivates thoughtful citizens, ethical leaders, and creative problem-solvers.

True education transcends rote learning. It is not confined to exams or grades, but rooted in the ability to ask questions, to explore the unknown, and to engage meaningfully with the world. It equips us with values of empathy, resilience, and respect that are just as essential as academic knowledge in building a more humane society. Yet, education is still a distant dream for millions. Inequality in access to quality education continues to divide nations, communities, and even households. In many parts of the world, children are denied schooling due to poverty, conflict, or outdated traditions. The gap between opportunity and potential remains wide, and we must close it.

An education magazine has a responsibility not only to celebrate achievements in learning but also to challenge the systems that limit it. We must spotlight innovative educators, amplify student voices, and advocate for inclusive policies that prioritize learning for all. In this era of uncertainty, climate change, digital disruption, and global conflict, education must evolve. It must prepare students not just for jobs of the future, but for the responsibilities of global citizenship. Emotional intelligence, ethical decision-making, adaptability, and sustainability are no longer optional skills; they are essential. As we look to the future, we must remember, education is not just a preparation for life, it is life. When we invest in minds, we invest in peace, in progress, and in the promise of a better tomorrow.

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education." - **Dr. Martin Luther King Jr.**

3. Society Activity Report

A daylong seminar for heads of schools was conducted on two separate occasions in Belgaum and Dharwad by the Secretary, KRCE, and Bangalore. Administrative and legal issues related to schools were discussed at these seminars.

As in the previous year, a series of Teacher Enrichment Programmes were conducted in clusters of schools over a period of 2 weeks by a resource person well versed in applied psychology. Topics such as educational psychology, student-teacher relations, AI (Artificial intelligence) and its impact on student learning, trends in AI and preparing teachers for the impact of AI on students and teachers was dealt with. Once again, teachers liked the topics and the way the subject was presented.

It seems like the effects, of Covid 19 still has a lingering effect on school children. Shorter attention spans, weaker foundations in subjects overlooked during Covid holidays and lack of instruction and monitoring during those days still have their effects on children. As was the trend in schools all over Karnataka, this year the SSLC results were below the expected level. Efforts are being made to ascertain why this has happened and measures are being taken to see that the results improve in future.

MYSORE DIOCESAN EDUCATIONAL SOCIETY

Secretary – **Rev. Fr. Edward William Saldanha**

1. Introduction

- Mysore Diocesan Educational Society
- 1961
- Brief background of the Society
- The Mysore Diocesan Educational Society (MDES), established in 1966, manages and coordinates educational institutions founded by the Catholic Diocese of Mysore. Guided by the motto “To Know, To Love, To Serve,” it focuses on education, character formation, and social transformation, especially in rural Karnataka.
- The Diocese began its educational mission in the late 19th century, and as its schools expanded, MDES was formed to provide unified administration. Inspired by Rev. Dr. Matthias Fernandez, education became a tool to empower the poor and marginalized.
- Over six decades, MDES has grown into a network of 153 institutions across Mysore, Mandya, Kodagu, and Chamarajanagar. It ensures quality through training, inspections, recruitment, academic planning, and infrastructure development, contributing significantly to education, social Upliftment, and nation-building.
- **Number of Institutions under the Society:**

 - o Pre University Colleges (PUC) - 19
 - o CBSE Board Schools – (High Schools - 5, Hr. Pry - 5 & Nursery Schools 4)
 - o State Syllabus Schools – (High Schools - 38, Hr. Pry - 45 & Nursery Schools - 29)

2. Vision: Value based quality education for empowerment leading to enlightened, sustainable and healthy nation

Mission: To serve all people, especially rural and underprivileged communities, promoting love, harmony, service, and justice, while providing quality education that fosters responsible citizenship, human excellence, spirituality, and holistic development."

If you want, I can make an **even punchier one-line version** suitable for a mission statement.

3. Society Activity Report

MDES ensures quality and consistency across its institutions through initiatives like quality assurance programs, staff training, systematic budgeting, inspections, infrastructural development, centralized recruitment, and subject-specific teacher training. These efforts uphold academic excellence and support the holistic development of both students and educators.

GULBARGA DIOCESE EDUCATION SOCIETY

Secretary – **Rev. Fr. Steevan Prakash Veigas**

1. Introduction

- **Name of the Society:** Gulbarga Diocese Education Society
- **Year of Establishment:** 2005
- Brief background of the Society
- **Number of Institutions under the Society:**
 - o Pre University Colleges (PUC): 2
 - o State Syllabus Schools – (High Schools: 10, Hr. Pry : 16 & Nursery Schools:13)

2. Vision and Mission

Vision:

Our educational institutions are centers of 'Good News for all, especially the poor and the marginalized

MISSION:

Empowerment and liberation of every human being, especially the poor and the marginalized (the Dalit community, the migrants and the tribal groups) through holistic education centered on Gospel values (love, compassion and justice) leading to the transformation of self and society.

During the year, the Commission for Education earnestly carried forward its mission of nurturing holistic, inclusive, and value-based education, with a preferential focus on the poor and marginalized. Across the diocese, our institutions became vibrant spaces where learning was not limited to academics but extended to forming responsible, compassionate, and socially conscious citizens.

Value education remained at the heart of our activities. Through regular programmes, school celebrations, leadership initiatives, and constitutional awareness sessions, students were gradually formed in discipline, responsibility, democratic values, and concern for society. These efforts were visible in the growing confidence, leadership, and sensitivity shown by students in various school activities.

A significant initiative of the year was the SANKALPA Programme, which inspired young students to dream beyond limitations and aspire for civil services and leadership roles. The camp instilled confidence and direction in many students, especially those from rural and underprivileged backgrounds.

Special care for economically disadvantaged students continued to be a priority. Through fee concessions, scholarships, sponsorships, and access to government schemes, many deserving students were supported. No Catholic student seeking admission was turned away, ensuring that financial hardship did not become a barrier to education.

Student wellbeing was also addressed through awareness programmes on drug abuse and responsible use of digital media. The “Nasha Mukth Bharat Abhiyan” programme at St. Mary School, Kotnoor, witnessed active participation and created strong awareness among students about leading healthy and responsible lives.

Our institutions actively promoted unity in diversity by celebrating national, cultural, and religious events. Environmental activities and student clubs encouraged creativity, teamwork, and ecological responsibility, helping students grow as balanced individuals.

Teacher formation was given due importance through orientation programmes across different zones, benefiting over 190 teachers. In addition, training on Artificial Intelligence introduced educators to modern teaching tools, enabling them to adapt to changing educational needs with confidence.

Efforts were also made to strengthen institutional responsibility and compliance. Awareness on labour laws and strict implementation of child protection policies ensured that our schools remain safe, transparent, and accountable environments.

Overall, the year has been marked by sincere efforts, visible impact, and a deep commitment to our mission. The fruits of these activities are reflected in the lives of students who are growing not only in knowledge but also in values, hope, and a sense of purpose.

VISION: Walking in the loving footsteps of Mary Immaculate

MISSION: Preaching the Goodness to the poor in simplicity and love

1. Society Activity Report

The Congregation of the Immaculate Conception, Madurai began at Panjampatti in the late 19th century. Under the guidance of Rev. Fr. Julius Larmey, S.J., Augustine Pereira, a man from an aristocratic family in Tuticorin preparing for priesthood, assisted in pastoral work. Inspired by these leaders, four dedicated women began community life in a small hut on 2 February 1899. Rev. Fr. Julius Larmey, S.J., Rev. Fr. Augustine Pereira, and Rev. Fr. Eugene Nespoulous, S.J., are honoured as the founders of the Congregation.

Fr. Augustine Pereira was ordained in 1900 and became the Director of the small community. With permission from the Bishop of Trichy, Fr. Nespoulous sought help from the Sisters of the Congregation of St. Joseph of Lyons in Madurai to start a Novitiate. On 2 July 1911, the first group of seven sisters was taken to Madurai and placed under the guidance of Rev. Mother Patrice, marking an important milestone in the Congregation's history.

The sisters focused on primary education in remote villages, faith formation, and service to the sick, treating diseases such as cholera, chickenpox, and smallpox using Siddha medicine. The first five nuns made their profession on 8 September 1913. Over time, the Congregation expanded across India and to other countries including Zambia, South Africa, Italy, Sri Lanka, and Germany.

To improve administration, the Congregation was divided into three regions—Madurai, Paramakudi, and Palayamkottai—on 25 March 1984. Their mission includes education from primary to higher levels, medical services through hospitals, and social work to create awareness.

During the Platinum Jubilee in May 1986, steps were taken to obtain Pontifical status. The Congregation was granted Pontifical status by Pope John Paul II on 19 January 1993. Later, during the Interim Chapter in February 1997, the three regions were elevated to provinces: Madurai, Sivagangai, and Palayamkottai.

Education Ministry

1. To give priority to the poor students and helping them to grow.
2. To impart value-based education.
3. To develop integrated personality.
4. To impart economic, political, social awareness.
5. To promote multifarious skills and talents.

Medical

“To render medical services” is one of the objectives of the CIC. Their medical mission includes hospitals, dispensaries, siddha (Native Medicine) centre and a Leprosy Control Centre. With the aim of healing the body and mind Sisters render their services in the medical centres.

1. To provide primary health education in the villages
2. To give treatment through Siddha and Allopathic
3. To follow holistic approach through counselling
4. To arrange special camps/treatments and rehabilitation for Leprosy, Cataract and Tuberculosis persons.
5. To give AIDS awareness, voluntary counselling, testing and treatment.
6. To organize general medical and health counselling, testing and treatment.

Social Ministry

“To engage ourselves in social action” is one of the objectives of the CIC. The commission for social services guides the Sisters of the C.I.C. to help eradicate illiteracy and provide the poor with self-respect. The purpose of all their social services is the holistic development of the individual person.

The Sisters of the CIC know for certain that poverty cannot be abolished by personal conversion alone. Radical changes should occur at the social and economic levels. For the blossoming of the life of the poor is the motto of the CIC. The administration has taken sufficient care and keen interest in making the Sisters fit for this noble responsibility.

1. Imparting awareness education.
2. Mobilizing the women and promoting women development programmers.
3. Collaborating with other like-minded, religious groups.
4. Rehabilitation of the children.

BANGALORE PALLOTTINE SOCIETY

Name of the Secretary - **Fr. Edwin Fernandes S.A.C**

1. Introduction

- **Name of the Society:** **Bangalore Pallottine Society – Assumption of the Blessed Virgin Mary Province, Bangalore.**
- **Year of Establishment:** **1973.**
- **Brief background of the Society:**

“The love of Christ urges us on.” The Society is founded on the principles of the **Society of the Catholic Apostolate (SAC)** established by St. Vincent Pallotti. Inspired by the Holy Spirit, Pallotti envisioned a society dedicated to the Universal Apostolate. In his diary, he expressed his desire to establish an institution that would spread the faith of Jesus Christ among non-believers, strengthen the faith of Catholics, and promote universal love through spiritual and corporal works of mercy so that God, who is infinite love, may be known throughout the world.

Pallotti united priests, religious, and lay people to work together in fulfilling the Church's apostolic mission. This vision led to the foundation of the **Union of the Catholic Apostolate**, where believers collaborate to continue the mission of Jesus and work for the salvation of all.

The congregation of priests and brothers is known as the **Society of the Catholic Apostolate (SAC)**. When Pallotti died on January 22, 1850, the Society was still in its early stage. By 1869, it had only ten priests and four brothers. However, by God's grace, it has grown significantly and now includes nearly 55 entities with about 2,500 members worldwide.

Founded in Italy in 1835 by Pallotti and several diocesan priests, the Society gradually spread across many countries including England, the United States, Germany, Brazil, Cameroon, Argentina, Uruguay, Belgium, Scotland, Ireland, Poland, Slovakia, Switzerland, Spain, Portugal, and many other parts of the world.

2. Vision and Mission

Vision:

Every Catholic, whether priest, religious or layman, should rejoice because “all of his talents, knowledge, studies, power, nobility, profession, art, earthly goods, service, prayers used for the propagation of faith and rekindling of charity in the world can acquire the merit of the apostolate”-

-St. Vincent Pallotti

Mission:

St. Vincent Pallotti was convinced that all the members of the people of God are called to share in the apostolate. For this reason, he coordinated all the baptized people of God, irrespective of their state of life and condition. His ardent desire was to awaken, foster and convince every baptized person of his or her baptismal vocation to cooperate in the mission of the Church. He wanted to make all Christians in whatever state they are in, from being passive to active apostles to work in the vineyard of the Lord. He brought together the priests, religious and laity in one single union. This was his unique contribution. This idea of collaborative participatory Church was new during his time.

3. Society Activity Report

- The Society has established churches around the world. Our Lady of Miracles Church, Badem, **St. Christophers Catholic Church (Regina Mundi Region, Australia)**, **St. Marthas Parish, Alberta, Canada**, **Vinzenz Pallotti University Pallottistrasse 3, Vallendar, Germany** are a few.
- Other than churches we also have various Trusts and Homes for the destitute and the elderly. **Pallotti Vridhi Vikas Trust (PVVT), Karnataka** and **Pallotti Shanthidhama, A Home for the Aged and the Destitute Mysore** are a few.
- We have also listed the educational institutions under our care.
All the above activities are founded under the vision and mission of the **ABVM** and covers the ardent needs of the present society making all actively participate in the apostolic works.

URSULINE FRANCISCAN EDUCATIONAL SOCIETY (UFES)

Name of the Secretary – **Rev. Sr. Philomena Noronha**

Name of the Society: **Ursuline Franciscan Educational Society® (UFES)**

Year of Establishment: **1964**

The **Ursuline Franciscan Educational Society (UFES)** traces its inspiration to **St. Angela Merici**, who pioneered the education of girls in **Brescia, Italy**. Inspired by her vision, **Fr. Urban Stein S.J.** founded the Company of St. Ursula in Bolar, Mangalore, in **1887**. Under the leadership of **Mother Nympha Fernandez**, the first Ursuline community house was built in **1901**, where activities such as a half-day free school for the poor and needlework classes for girls began—marking the humble beginnings of **UFES**.

To address the need for basic education for the poor, **St. Ursula's School** was started in **1892** and expanded in **1901**, later receiving a new block in **1952**. Over time, the **Ursuline Sisters** opened technical and needlework training centres and expanded their educational mission to places such as **Hunsur, Thirthahalli, Santikoppa, and Koppa** between **1951 and 1958**. From **1960 to 1963**, several schools, including high schools, were added.

With the establishment of **Lourdes High School, Bejai**, the need for a formal organization arose. The **Ursuline Franciscan Educational Society** was officially registered on **3 April 1964** under the **Mysore Societies Act**. From **1965 to 1992**, many English and Kannada medium schools were established across Karnataka.

The Society expanded its mission beyond the state and country:

- **1986:** Began schools in **North-East India**.
- **1993:** Expanded to **North India** with schools up to Class 12.
- **2000:** Opened a **special school** for differently-abled students at Vamanjoor.
- **2002:** Entered **Pre-University education** with colleges in **Hubli** and **Hunsur** (today about eight P.U. colleges).
- **2004–2005:** Extended its mission to **Africa**, establishing schools in the Same Diocese.

The Society celebrated its **Golden Jubilee in 2014** and **Diamond Jubilee in 2024**. Continuing its growth, in **2026** UFES introduced an **MCA programme** in its UG College and established **two CBSE schools**, marking another milestone in its educational mission.

2. Vision : “I have come in order that you might have life in all its fullness “Jn10:10

Mission: Inspired by the teachings of Jesus and our patrons St Angela Merici and St Francis of Assisi, our founder Fr Urban Stein, and pioneers, we, the Ursuline Franciscan Sisters, aim at the integral development of each students of our formal and non-formal education institutions where our Sisters serve so that the students bring about the dimension of social justice, in the social, political, economic and cultural fabric of society.

Society Activity Report: The Ursuline Franciscan Educational Society® Along with all its institutions continues its mission of providing value based and holistic Education through a wide range of academic, co-curricular and community-oriented activities throughout the year. All the institutions foster intellectual growth, moral values, social responsibility and spiritual development among students. Academic enrichment programmes such as seminars, workshops, remedial classes, mentoring sessions and faculty development initiatives were regularly conducted for Parents, Teaching &

Non-teaching staff and students.

All our institutions appoint campus councillors and provide one to one guidance to student's parents & teachers who require support. Emphasis is laid on student-Centric approaches, skill development and leadership training. The society has launched the **Mother Nympha Adolescent Empowerment Programme** in all its institutions, which moulds students into true leaders involving them in social service activities.

The AEP programme is conducted from pre-primary level up to 10th standard, with monthly classes and activities involving parents. We are proud to have initiated **the Scarf stream Social change Agent Forum** which motivates students to reach out to the society with their skills and expertise. Through these initiatives, students learn to adapt to various situations, refrain from risky behaviours, and become valuable assets to their families and society.

The **UFE Society** focuses every year on specific themes that help students value the life and society. During the years 2022-24 the theme was **Secularism, Democracy and Fraternity**. For the year 2025-26 the focus is on the value of Peace and for the year 2026-27 the Society plans to focus on **Social cleanliness**. The intention behind these themes is to create true awareness among all in the society.

Every year the UFE Society conducts the **Basic counselling skill course** for the teachers with the help of our sister counsellors. Each year, **forty teachers** are trained for **six days** as residential participants. This year, **42 teachers** from all our institutions across Karnataka participated in the programme.

The Society conducts **two meetings every year** for the Headmistress, Principals, Managers, Wardens, Superiors and Governing Body Members. The **Annual General Body Meeting** is a gathering of all the stake holders of the society, where the input session, comprehensive annual report of the society is presented and discussed.

During this meeting the winners of the yearly programme are recognised and awarded, similarly the **SSLC, PUC, Degree toppers** are honoured and the future programmes and plans are deliberated. There is regular Inspection by the President, the Secretary and the deputy Secretary to all our institutions.

Every institution functions under the guidance of **the President, the Secretary, and the Governing Body members**. The departmental works are undertaken from time to time, and a good rapport is maintained with all the officials of the institution. All our institutions enjoy a **prestigious reputation in the society**, wherever they are situated.

THE URSULINE SISTERS OF MARY IMMACULATE

Name of the Secretary - **Most Rev. Sr. Borges Floropia Brígida**

1. Introduction

- ♦ **Name of the Society** : **The Ursuline Sisters of Mary Immaculate**
- ♦ **Year of Establishment** : **1970**

♦ **Brief background of the Society:** Until **1970**, many children, especially those from lower middle-class families, did not have access to high school education because there were no high schools nearby. **Late Rev. Fr. Gabriel D'Souza**, the **Parish Priest of St. Lawrence Church**, felt the urgent need to provide education for these children. With the permission of **Rt. Rev. Basil D'Souza**, the Bishop of Mangalore, three acres of land were given to the Ursuline Sisters of Mary Immaculate to build a school. Under the leadership of Rev. Mother Stephanie, the then Provincial Superior of the Ursuline Congregation, high school classes began on May 31, 1970, with the name Mahatma Gandhi Centenary High School. As the new building was still under construction, a part of St. Lawrence Primary School was used temporarily for the high school classes. In June 1972, the high school moved to its new building on the land provided by the Parish Church. The school made steady progress not only in academics but also in other activities. The formation of various associations such as the Scouts and Guides, NCC Naval Wing, and the Parent-Teacher Association were important milestones in the growth and achievements of the school.

QUEEN OF APOSTLES EDUCATION TRUST

Secretary – **Sr. Lenita D'Souza**

Introduction: The Schools run by the Mangalore Province in the States of Karnataka and Goa of the Congregation of the '**Missionary Sisters of the Queen of the Apostles**' (SRA) are under one Trust and two Societies'.

They are:

1. Queen of Apostles Education Trust, Vamanjoor, Mangalore. (2003)
2. Dharma Jyothi Charitable, Society, Mangalore (1973)
3. Vivian Nivas Charitable Society, Siolim, Goa. (1976)

Establishment: As per the deep quest of our **Founder Fr. Antonius Maria Hubert Bode Wig**, to make education accessible to those whom it is a distant dream, especially for a girl child. Based on his dream **Sr. Maria Goretti** formulated an Education Trust namely '**QUEEN OF APOSTLES EDUCATION TRUST**' under which to establish and administer the educational institutions of **Mangalore Province, in the State of Karnataka.**

The Educational institutions under the Trust and Society are:

- Vidya Jyothi Pre-Pry, Primary and High School, Vamanjoor, Mangalore
- Amarjyothi High School and PU College - Soraba, Shimoga
- St. Joseph English Medium Pre-primary, Primary and High School, Mansapur, Khanapur
- Maria Kripa Nursery, Deepalaya CBSC Primary and High School, Santhpur, Bidar
- Premanjali High School, Ujani, Bidar
- Rosary Convent Pre- primary and Primary School, Mandrem, Goa
- Asha Kiran Play School, Bangalore

Besides these there are Boarding houses for girls in Soraba in Shimoga. Santhpur, Ujani in Bidar. Khanapur in Belgaum and Siolim, Goa.

Our Vision and Mission: Our Vision for the institutions through the QAE Trust is “An integrated human Society, aiming at social change and transformation through education”. We know that we cannot achieve this vision in our life time. Therefore we strive daily with the Mission of the Trust: “**To empower and impart quality education to all - the poor, the marginalized, towards Character Formation, Moral and Spiritual values, Intellectual Development, Gender Equality, and Ecological Consciousness for harmonious living**”.

Vidya Jyothi Pre-Pry, Primary and High School, Vamanjoor, Mangalore: The school was founded in the year **2001**. This year **2025-26** the strength is 861 with 32 Staff members. The School has an excellent academic track record in **10th Board exams** and the students have proved their mettle in various co-curricular activities such as Yoga, Dance, Speech, Sports and Science models. One to one counselling is held while reaching up to National

level in Athletics.

Amarjyothi High School - Composite PU College, Soraba, and Shimoga: Founded in 2003 Amar Jyothi

Composite PU College proved to be a light house for the poor children of remote villages of North Karnataka, empowering many girl children through hostel facility, **having 25 staff members and 255 Students.** With sections of Science, Arts, Commerce, NEET coaching, Career Guidance, Counselling are the special features to raise the institute to greater heights with specific goals towards excellence in academics, sports and culture.

St. Joseph English Medium Pre-primary, Primary and High School, Mansapur, Khanapur: The school

began in the year 2004 and gradually upgraded to secondary level in 2022-23 reaching 10th STD with excellent results 100%. Having 585 as school strength with 32 Staff members, the school excels in all spectrums of activities facilitating increased admissions.

Maria Kripa Nursery, Deepalaya CBSC Primary and High School, Santhpur, Bidar: Started with a play

School in 2005, having Boarding facilities for the remote village girls, Pre-primary in 2010 raised to CBSC Board in 2015 with 100% results from 2018 in the Board Exams. Deepalaya Students surpass on all occasions in the zonal and Taluk level in all sorts of competitions securing first position a number of times. The School has grown to greater heights with

specific goals towards excellence in academics, sports and culture heading 48 Staff and 1154 students.

Premanjali High School, Ujani, and Bidar: Having begun Kannada Medium High School in 2004 in the

remotest village had many struggles but purely an opportunity for Jesus' Mission. Having 139 students as strength with 7 teachers the School ventures into unique Science Exhibition, Street Plays, Yoga, Safety rules and Legal regulations. Promoting religious harmony readings from the *Bible*, *Bhagavad Gita*, and *Quran* are included during the daily assembly.

Rosary Convent Pre-Primary and Primary School, Mandrem, Goa: An ill literary village **Mandrem in 1978**

is bubbling today with academic activities. Soon it was upgraded to Primary. As the school became popular in the succeeding years and progressed in every sphere with an inflow of admissions. Presently 297 students continue their Primary education with integrity, moral shaping, self-confidence, leadership skills along with the academic activities.

Asha Kiran Play School, Hebbagodi, and Bangalore: Commenced in 2003, lot of focus is laid on the toddlers for play, fun and social interaction along with learning through toys, action songs, rhymes, celebrations and simple exercises. Thus early childhood is made memorable by teaching Listening, speaking and observing skills, with games, dolls and child friendly activities.

Conclusion: As we count the blessings of the Lord through our educational institutions, may God help us to promote human progress. Daily there is up gradation of technology, therefore all our faculty need to change their mundane methods of teaching and adapt to evolving technology centered teaching in our future educating mission.

Assisi Special School was founded in 2009 with the vision of providing quality education, therapy, and life skills training for children with special needs. Starting with just 10 students in a convent, it has grown into a dedicated institution supporting children with diverse disabilities.

Initially functioning in the Assisi CBSE School building, the school later established its own campus and moved into a purpose-built facility in 2018, offering a safe and supportive learning environment. Today, the school serves 88 students, focusing on functional academics and practical life skills to help them gain confidence and independence.

Vision: To be centre of excellence in special education, empowering children with special needs to live independent and fulfilling lives

Mission: Providing specialized education, Therapy and life skill training, fostering confidence dignity and self-reliance.

Our activities - Recognizing that education alone is not enough, the school provides comprehensive therapeutic services to support the overall growth of its students. These include Physiotherapy, Speech Therapy, Occupational Therapy.

Vocational Training: Building Self-reliance - For students above 15 years, Assisi Special School emphasizes vocational training to prepare them for a more independent and productive future. They are trained in Candle Making, Door Mat and Table Mat Making, Jewellery Making, Paper Cup and Paper Plate Making and Other Handicrafts. These activities not only develop their skills but also give them a sense of purpose, confidence, and financial independence.

BANGALORE AUXILIUM SOCIETY

Secretary – **Sr. Margrat Mathai**

1. Introduction

- **Name of the House: Auxilium Welfare Centre**
- **Name of the Society: Bangalore Auxilium Society**
- **Year of Establishment: 1998**

Brief background of the Society

Auxilium Welfare Centre began in 1968 when the land was purchased from George DaCosta. The pioneers, Sr. Edith Mascarenhas and Sr. V. R. Mary, initially established it as a novitiate. The first batch of 16 novices made their profession in 1970. In 1978, the novitiate moved to a new building (now the Provincial House), and the original building became a Working Girls Hostel for poor and middle-class factory workers nearby.

In 1980, Grihini Training started to support village girls from agricultural families. In 1981, the house was divided for administrative purposes, creating a second community called Auxilium Centre. In 1987, the two communities were merged again due to practical difficulties.

On May 31, the province was bifurcated from the Chennai (Madras) Province, and the novitiate house also became the Provincial House. New initiatives such as Family Integral Development and Educational Society (FIDES), a school, and formation houses (Aspirantate and Postulancy) were started. Due to the growth of activities, a reorganization was undertaken in 1998.

Auxilium Welfare Centre was officially established on May 27, 1998, with Sr. Marie Vazhapilly as Superior. Its apostolates included Contact Period Candidates, Auxilium School ICSE, Auxilium Working Girls Hostel, Grihini Centre (closed in 2004), Parish Animation, Salesian Cooperators, village and family visits, and land cultivation.

Over time, some works were replaced due to changing needs and the impact of COVID-19. In 2022, a Nursery School and Auxilium Pre-University College were started, and in 2024, ISC was introduced following NEP recommendations.

Currently the following works are taken care by the Community:

1. Auxilium Nursery school
2. Auxilium ICSE
3. Auxilium ISC
4. Auxilium Pre-University College
5. Parish Apostolate

2. Vision and Mission

Vision: Following Jesus the Good Shepherd, and inspired by Mary we journey together as pilgrims of hope, to foster a spirit of sodality and commit to build a more just, humane and sustainable world.

Mission: The formal and non-formal institutions will be known by the FMA Identity in the public domain and among the decision-makers for our expertise and quality service to the people we serve. Filled with Salesians spirit, the Past Pupils, VIDES and people around us become vibrant collaborators and partners in mission by voluntarily offering their expertise and linking us with external opportunities.

3. Society Activity Report

The **Auxilium Welfare Centre**, through its PU College and School (Nursery to Class XII – ICSE Board), plays an active role in education, social service, and parish life. Catechism classes are conducted regularly according to the diocesan syllabus, with examinations to support students' spiritual formation.

The institution strengthens community bonds by visiting families of students, staff, and parish members, and provides special assistance to poor and underprivileged students as well as support to staff in need.

Throughout the academic year, the school and PU College organize competitions, cultural programs, Charity Day, feast celebrations, and festivals. National and state events such as Independence Day, Republic Day, and Karnataka Rajyotsava are celebrated with great enthusiasm. Awareness days like Yoga Day, Anti-Drugs Day, Sports Day, and Environment Day are also observed to promote health, discipline, and social responsibility.

Students receive regular value education and participate in awareness programs that encourage moral and civic responsibility. They are also motivated to share food, clothes, and essential items for distribution to poor villages and needy families, fostering compassion and service.

The institution runs Scouts and Guides, Cubs and Bulbuls units, where students receive training and engage in community service activities with strong parental support. For student safety and well-being, the school follows a Child Protection Policy, and the PU College has an Anti-Drug Cell, Anti-Ragging Committee, and Women Cell.

Through these efforts, Auxilium Welfare Centre continues to nurture responsible citizens rooted in values, faith, and service.

SISTERS OF ST. ANNE, BANGALORE

Secretary – **Sr. Gracy Antony**

1. Introduction:- The congregation of the sisters of St. Anne was founded by Late Rt. Rev. Bp. Stephen Louis Charbonnaux, of the Paris Foreign Missions who was the first Vicar Apostolic (1850-1873) of the then Mysore Mission, with his headquarters in Bangalore. He thought of a congregation of Indian sisters to cater to the needs of the local Kannada and Tamil speaking Children and opened a religious community for Indians of all castes, placing it under the patronage of St. Anne. Thus, the "Congregation of the Sisters of St. Anne" had its birth in 1857.

Name of the Society - Sisters of St. Anne Bangalore.

Year of Establishment - 2nd July 1976

Brief background of the Society: - The society was established with the specific objectives of education of the children, care of the sick and other social works. On 13th March 1979 the Congregation further established another society named "St. Anne's Educational Society" with the wider range of objectives and aims related to education. Later, following the formation of Provinces and Regions, educational institutions were placed under the respective provincial and regional registered societies. Consequently, all institutions in Karnataka fall under "Our Lady of Mercy Province", with the exception of a few institutions directly managed by the Mother Society.

ST. DOMINIC'S EDUCATIONAL TRUST

Secretary – **Mr. David Street**

Introduction:

St. Dominic's School, Attibele was established in 1999 with a vision to provide quality education and holistic development for students. The school is affiliated with the Council for the Indian School Certificate Examinations (CISCE) and offers both ICSE and ISC curricula, ensuring strong academic standards along with co-curricular growth.

With a focus on discipline, character building, and modern learning methods, St. Dominic's School provides a safe and supportive environment where students are encouraged to excel in academics, sports, arts, and leadership activities. Over the years, the school has built a reputation for nurturing confident, responsible, and well-rounded individuals.

Our Vision:

Making Our Students Ready for a World of Opportunities

Our Mission:

To prepare the children of Attibele and surrounding areas with a global mind set by providing internationally recognized standards in educational facilities and resources so that they may be participative members of their community and exemplary world citizens.

Activity Report:

St. Dominic's School is dedicated to providing quality education through a holistic and value-based approach. With 16 years of academic excellence and a consistent 100% results record, the school focuses on the overall development of students—academically, physically, emotionally, socially, and morally.

The school offers a well-structured curriculum supported by modern laboratories and emphasizes experiential learning. In kindergarten, child-centred and play-based methods help build curiosity, creativity, and strong foundations. Students also participate in co-curricular activities such as Art, Dance, Robotics, and Karate, encouraging creativity, teamwork, and leadership.

Spacious playgrounds promote sports and physical fitness, while NCC and Scouts & Guides programs help develop discipline, patriotism, and social responsibility. The school ensures a safe and nurturing environment for all students.

With dedicated and well-trained teachers, supported by training from UK experts, the school maintains high teaching standards through regular professional development. Students are encouraged to excel through competitions like Star Awards and KISA, and the school has proudly hosted the Girls Throw ball Tournament three times, promoting sportsmanship and leadership.

Through strong academics, values, and a child-friendly environment, St. Dominic's School continues to nurture confident and future-ready students.

THE GOOD SHEPHERD SOCIETY

Secretary – **Sr. Felicitas**

The society of the Good Shepherd Sisters was founded in France in 1835 by St. Mary Euphrasia. She was born on 31st July 1796 in France. She was gifted with a deep love for humanity and respected each person for her/his uniqueness. The socially marginalized young girls and women of her time found in her a loving mother and teacher. By the time of her death on 24th April 1868, she had founded 110 Good Shepherd convents in 68 countries, including one in India in 1854. Sacred Heart Girls' High School was also established in the same year.

Education according to St. Mary Euphrasia should develop the fullest all that is best in the human personality, physically, psychologically, socially, aesthetically and spiritually.

We, the Good Shepherd Sisters, continue to consider our Foundress, a living reality in our world-wide mission of education and re-education, both formal and non-formal in diverse cultures. Her favourite maxim was that “we should form strong characters of high principles, ground in truth”. Her comments on various aspects in this connection are worthy of earnest reflection.

3. Society Activity Report

Montfort Institute of Advanced Studies (MIAS), established in 2007 by the Montfort Brothers and affiliated with Martin Luther Christian University (MLCU), Shillong, offers postgraduate and M.Sc. programmes in Counselling Psychology. These programmes prepare students for counselling roles in community, school, family, private, and organizational settings. Since 2019, MIAS has been an accredited academic partner of MLCU. The institute emphasizes professional competence, personal development, and a supportive, family-like learning environment.

Montfort Institute of Advanced Studies (MIAS)

BANGALORE – 560038 –

Overview

Montfort Institute of Advanced Studies (MIAS), run by the Montfort Brothers of St. Gabriel, promotes education and community development based on Christian values. In partnership with Martin Luther Christian University, it offers MSc and PG Diploma programmes in Counselling Psychology, focusing on practical training, ethical practice, and student-centred learning to develop skilled, compassionate mental health professionals.

Key Highlights of the Year - During the reporting period, MIAS enhanced its counselling psychology initiatives through academic programmes and outreach. Activities included suicide prevention events, an online mental health talk series, and specialised training in crisis counselling, trauma care, and clinical hypnosis. Students also gained hands-on experience through field visits, practicum training, and internships.

Mental Health Awareness and Community Outreach - MIAS promoted mental health awareness during World Suicide Prevention Awareness by encouraging open dialogue, reducing stigma, and emphasizing timely support. A three-day online talk series featured experts discussing interpersonal abuse, adverse childhood experiences, and emotional regulation, helping participants recognize distress, build resilience, and manage stress.

Academic and Professional Development - MIAS organized several academic programs to strengthen students' counselling skills. These included a seminar on suicide and violence focusing on crisis intervention, ethics, and prevention, along with training in trauma-informed care, emotional regulation, and self-care. A session on clinical hypnosis by Dr. David Paul Smith further expanded their understanding of therapeutic approaches, enhancing their professional preparation.

Field Exposure, Internship and Practicum - Experiential learning is central to training at MIAS. Students visit organizations such as Nightingales Trust, Arpita Foundation, Medico Pastoral Association, NIMHANS, and Little Sisters of the Poor Orphanage to observe counselling practices and understand mental health services.

Postgraduate Diploma in Counselling Psychology students also complete a mandatory 120–140 hour internship across hospitals, schools, NGOs, and rehabilitation centres. Practicum begins in the second semester with regular supervision, helping students build practical skills and reflect on their experiences.

Conclusion: The Trust is dedicated to quality education, professional training, and community engagement in mental health. MIAS integrates academic learning with practical experience to develop responsible counselling professionals, while aiming to expand programs, increase awareness, and build partnerships to support community well-being.

THE AUGUSTINIAN SOCIETY

Secretary – **Sr. Elizabeth Mary**

1. Introduction

2. The Congregation of the Augustinian Missionary Sisters was founded in Madrid, Spain, on May 6, 1890, by Mothers Querubina Samarra, Mónica Mujal, and Clara Cantó, Augustinian Tertiaries from the Beatory. Inspired by contemplative serenity and a commitment to teaching, they responded to the Church's and society's needs, especially serving girls orphaned by the cholera epidemic in the Philippines.
3. As a congregation of apostolic life, we follow Christ in chastity, poverty, and obedience, guided by the spirituality of Saint Augustine. Our spirituality centers on the Gospel, interiority, fraternal community life, and service to the Church.
4. Our charism focuses on radical discipleship through education—particularly of children and youth—and human development, with special care for the poor, vulnerable, and neglected.

SOCIETY OF SISTERS OF ST. ANNE, MADRAS

Secretary – **Sr. Margaret Julie SSAM**

1. Introduction

- **Name of the Society:** Society of Sisters of St. Anne, Madras
- **Year of Establishment:** 1874, (Bangalore Province 1989)
- **Brief background of the Society:**

The Society of Sisters of St. Anne – Madras (SSAM) is a women's religious congregation founded in 1874 at Kilacheri (near Chennai, India) by Smt. Thatipathri Gnanamma, a courageous Catholic laywoman, a widow from Phirangipuram, Guntur (Andhra Pradesh). Girls' education in India was extremely limited during the 19th century. Our Foundress Mother Gnanamma recognized that education was the key to women's empowerment. So, she started a school for girls in Kilacheri in 1863 and inspired young women to join her mission. Two among the boarders expressed their desire to become Nuns. Hence, she sent them for Religious formation to Bellary. On 4 October 1874, these women became the first Sisters of St. Anne, Madras, marking the birth of the congregation.

The Congregation is known for its mission of educating and empowering women, especially poor girls, through education, Health Ministry, Pastoral Ministry, and Social Service.

SOCIETY OF ST. MICHAEL

Secretary – Sr. Christeena Joseph

1. Introduction

- St. Michael's Convent High School, Karwar (Society of St. Michael)
- 1927
- St. Michael's Convent School, Karwar, was founded in response to the growing need for quality education during the British period. At the request of Patriarch Dom Matthew Oliveira Xavier, Bishop Aloysius Mary Benziger of Quilon entrusted Mother Mary Michael, the first Mother General of the Carmelite Sisters, with the mission of establishing the school. Though she passed away on May 9, 1926, her vision laid the foundation for this noble institution.

The school officially opened on February 1, 1927, with just 20 students, and was formally inaugurated on June 6, 1927. Beginning in a wooden bungalow at Kajubag, it soon shifted to its present campus on May 22, 1927, with strong support from the local church and the people of Karwar.

Over the years, the school achieved significant milestones—government recognition in 1931, recognition as the first Catholic High School in North Kanara in 1940, and expansion into Kannada and English medium education. The inauguration of the new education block on March 31, 2025, marks another major step forward.

Today, St. Michael's Convent School serves over 2,000 students from Pre-primary to High School, guided by dedicated staff. As we celebrate the **Centenary Year (2026–2027)**, the institution continues its mission of forming confident, responsible and well-integrated individuals for the future.

- State Syllabus Schools(High Schools, Hr. Pry & Nursery Schools)

2. Vision and Mission

- **Vision:** We visualize, the creation of a new human society, by imparting value based knowledge and life skills that will usher new generations of happy, noble, generous and committed citizens of the country; and help emerge leaders who transform the local society.
- **Mission:** To develop in each student a constant striving for excellence, effecting a maturing appropriation of intellectual, moral and spiritual values, resulting in integrity of life, a sense of purpose and a determination to serve the society with courage, grace and compassion to be truly wise and happy.

3. Activity Report

Guided by faith and committed to holistic education, the academic year commenced on **2nd June 2025**, marking the reopening of the school. The students entered the campus with great enthusiasm and joy. To foster environmental responsibility, **World Environment Day was observed on 5th June 2025**, with active participation from Headmistress **Sr. Christeena Joseph**, faculty members, and students, who brought saplings from home and carried out a plantation drive within the school campus.

The academic year was spiritually inaugurated on **6th June 2025** with the solemn Eucharistic celebration of the Holy Mass on the first Friday, invoking divine blessings for a fruitful year ahead. Leadership qualities were nurtured through the **Investiture Ceremony held on 9th June 2025**, which was conducted with great pomp and dignity. To warmly welcome new students, **Fresher's Day was organized on 21st June 2025**, providing them an opportunity to showcase their hidden talents.

In recognition of dedication and service, **Management Day was celebrated on 15th July 2025**, during which students expressed their gratitude through vibrant dances and various stage performances. The valuable role of teachers was acknowledged during the joyful **Teachers' Day celebration on 6th September 2025**, beautifully organized by the students as a token of love and respect.

Cultural awareness was promoted through the observation of **Kanakadasa Jayanthi on 8th November 2025**, where students of class VIII C highlighted the life and achievements of the saint-poet. **Children's Day was celebrated on 14th November 2025** with prayers, blessings, and energetic performances by teachers, and a fancy fete, bringing immense happiness and excitement to the students.

A grand programme was organized on **15th November 2025** to commemorate **Foundress Day** and honour the supportive staff, featuring a vibrant cultural extravaganza. Physical fitness, teamwork, and sportsmanship were encouraged through the celebration of the **Annual Sports Day on 22nd November 2025**, marked by enthusiastic participation from students.

After many years, a joyful **Reunion Day was organized on 6th December 2025** for alumni and ex-teachers, who were warmly welcomed with the school band, cultural programmes, and fun-filled activities. The year concluded on a festive note with the **Christmas Celebration held on 23rd December 2025**, which began with a prayer service followed by carols and dance performances. Continuing the spirit of inspiration into the New Year, **National Youth Day was celebrated on 12th January 2026** with thought-provoking student speeches and an interactive quiz competition. On **17th February**, we celebrated the inaugural function marking the beginning of the Centenary Celebration.

HOLY CROSS SISTERS EDUCATIONAL SOCIETY

Secretary – **Sr. Sujatha D'sa**

Holy Cross Sisters Educational Society was registered in the year 1984 with its office in Holy Cross Convent, Neermarga, and Mangalore. This society has 5 educational institutions in the state namely Neermarga, Mangalore, Hassan, Bidi in Belagavi, Zalki in Bijapur Dist and Ambaulim. Among the five schools one is solely for mentally challenged children. Since all these institutions are located in village areas the society is catering to the children who are in middle and lower economic faction.

The medium of Instruction is English in all these schools and follow State Board Syllabus. Throughout the year examinations including Formative Assessment (FA) Summative Assessment (SA) and preparatory exams are conducted systematically as per the educational department guidelines. Priority is given to value based education. Other than the Celebration of National festivals, world environment day, International Yoga day, Institution Feast, Teachers day, Christmas, girl child day are given priority. Extra co-curricular activities and competitions are also given importance. Students are given opportunities to take part in sports. A few students of our school went up to state level in wrestling, shot put and yoga. Taking part in various activities has inculcated in them team spirit, leadership, cultural awareness and fostering patriotism.

Educational tours, picnics, Annual sports day/Annual days provide experiential learning opportunities and strengthen community bonding.

The school continues to uphold its mission of imparting quality education rooted in strong moral and spiritual values, shaping responsible and confident citizens for the future.

EDUCATIONAL SOCIETY OF BROTHERS OF ST. PATRICK

Secretary – **Bro. Sylvanus Kerketta**

1. Introduction

Name of the Society: **EDUCATIONAL SOCIETY OF BROTHERS OF ST. PATRICK**

- Year of Establishment: **2010**

BRIEF BACKGROUND OF THE SOCIETY

The Congregation of the Brothers of St. Patrick was founded by Bishop Daniel Delany in the year 1808. The Congregation derives its name from the Great Apostle of Ireland, St. Patrick, who in his time fought ignorance, in-justice, wickedness and immorality, just as our founder did in his own time. The founder realized that the root of universal demoralization was ignorance and hence he began to impart moral education. He had in mind the religious, moral and literary education of children in schools.

NUMBER OF INSTITUTIONS UNDER THE SOCIETY:

ONE-ST.PATRICK'S ACADEMY BENGALURU (ICSE & ISC)

2. Vision and Mission

Vision:

We steadfastly believe that education is not mere preparation for life, but is LIFE ITSELF.

We believe that every student is unique and gift from God.

We believe that academic success is our prime concern.

We believe in holistic approach to education.

We earnestly believe in a healthy relationship among the school, parents and society.

We believe effective learning happens through a team of innovative, self-motivated, disciplined, and committed staff, while respecting the dignity of every individual. We ensure a non-discriminatory environment in all school policies.

A pleasant and well-organized atmosphere, supported by strong leadership and professional staff, is essential for quality education. We provide modern learning resources to help each child reach their full potential and encourage lifelong learning.

We view education as a shared responsibility with parents and the community, promoting values and social responsibility, especially towards the underprivileged.

While prioritizing academic excellence, we focus on the holistic development of each child—physical, emotional, psychological, spiritual, and aesthetic—preparing them to face life with confidence.

Mission:

We will....

- Create a stimulating, enjoyable, child-centered learning environment.
- Nurture lifelong learners who think critically, act responsibly, and dream big.
- Offer an innovative curriculum that makes learning joyful.
- Instill empathy and social responsibility in students.
- Promote respect and care for nature.
- Build and support a dedicated team aligned with our vision.

 - o St. Norbert ICSE School, Bengaluru – This school is from Nursery to High school with around 1400 students.

2. Vision and Mission

Vision: Empowering through Service

Mission: To provide, support, and promote, social, educational, health care and charitable establishments in India, especially in Karnataka.

3. Activity Report

As St. Norbert ICSE School celebrates its eleventh year of dedicated service, we look back on a year defined by academic rigor, infrastructural growth, and a steadfast commitment to the holistic development of our students. Guided by a mission to empower learners with both traditional values and futuristic skills, the institution has reached significant milestones that reinforce its position as a premier centre of learning. This report highlights the academic triumphs, innovative programs, and prestigious institutional accolades that have shaped our journey over the past ten months.

Academic and Professional Milestones: Academic excellence remains the cornerstone of our identity, evidenced by a 100% success rate in the ICSE examinations for the fifth consecutive year. Beyond the classroom, our students represented the school with pride in various interschool cultural, literary, and sports events, including the Norbetine Interschool Meet. Participation in prestigious competitions such as the All India Rajbhasha Hindi Olympiad, KISA Talent Search, and the General IT Quiz has fostered logical reasoning and digital awareness.

Orientation Programs and Celebrations: The 2025 academic year also prioritized the continuous growth of our school through comprehensive orientation and training programs. We hosted EDUMEET on May 26–27, a prestigious gathering of administrators and delegates from across Karnataka and Kerala. Students benefited from specialized workshops on "Quizzing in Learning," traffic awareness, and emerging career pathways, while parents were engaged through targeted orientation sessions for the new academic year. Our vibrant school spirit was further showcased through patriotic celebrations of national days and the spectacular two-part annual day, **Melange 2025**, held on November 28 and 29.

Infrastructural Development and Innovative Programs: To support our evolving educational needs, significant investments were made in school infrastructure and safety. We enhanced accessibility with a new elevator, expanded parking facilities, and modernized the computer lab to ensure a 1:1 student-to-computer ratio. The school auditorium was upgraded with state-of-the-art lighting and sound systems, and a new school bus was added to our fleet. Furthermore, the installation of advanced surveillance cameras across the premises and within classrooms ensures a secure environment where students can focus entirely on their growth and learning. Embracing the future of education, the school launched several pioneering initiatives this year, including an AI & Robotics Program and a Portable Planetarium Show to bring experiential science to the forefront. We also successfully secured an NCC Junior Unit under the 6 Karnataka Battalion, fostering discipline and national service.

As we conclude the academic year 2025, we the St. Norbert ICSE School, stand at a vantage point of immense gratitude. From the expansion of our technological resources to the stellar performances of our students in regional forums, every achievement serves as a testament to our commitment to holistic excellence. As we move forward, we remain dedicated to nurturing the next generation of leaders with a balanced focus on academic brilliance and moral integrity. We extend our deepest gratitude to our staff, parents, and students for making these remarkable achievements possible.

SOMASCAN FATHERS

Secretary – **Fr. Prakash**

Name of the Society: Somascan Fathers.

Name of the Institution: St. Jerome's P U and Degree College

Year of Establishment: 2013

Vision and Mission: "To enlighten the minds, and look up for the values"

Number of Institutions:

- St. Jerome's PU College
- St. Jerome's Degree College

ANNUAL REPORT 2025–2026

This year marks twelve years of dedicated service in empowering the needy and rural youth, who remain at the heart of our mission. We express our deep gratitude to God Almighty and St. Jerome for their blessings and guidance. We sincerely thank our Fr. General, Rev. Fr. Jose Antonio, Vice Provincial Fr. Hrudaya Raju, and the Provincial Councillors for their continued support.

We extend special thanks to our Superior, Rev. Fr. Sagi, for his visionary leadership and constant encouragement. We also appreciate our committed staff and well-wishers for their invaluable support.

Currently, our campus serves around 500 students. At St. Jerome's, we go beyond academics, striving to instill courage, prudence, and confidence in our students to face real-world challenges.

Academics: We are pleased to report that during this academic year, 57% of our students achieved First Class, while 37 students secured Distinction. This commendable performance reflects the dedication and hard work of our students, supported by the consistent efforts and commitment of our faculty.

Infrastructure Development:

Our focus on holistic growth extends beyond academics. This year witnessed significant developments in infrastructure:

- Up gradation of laboratories to meet competitive academic standards
- Development of sports facilities and expansion of student relaxation areas
- Introduction of digital classrooms and a fully Wi-Fi-enabled campus
- Launch of a new academic program—Bachelor of Computer Applications (BCA), designed to equip students with industry-relevant skills.

Seminars and Workshops: We prioritize experiential learning beyond the classroom. Throughout the year, students participated in seminars on Road Safety, Anti-Drug Awareness, Skill Development, and Career Guidance.

Additionally, faculty members underwent two days of motivational and professional development sessions, fostering both personal and professional growth. These initiatives have contributed to shaping responsible, aware, and competent individuals.

Talent Hunt: Recognizing the unique talents of every student, we organized a Talent Hunt Fest featuring 30 diverse competitions spanning arts, culture, and contemporary creative fields.

This platform enabled students to showcase their abilities and significantly enhanced their confidence, creativity, and pursuit of excellence.

Educational Tour: A three-day educational tour to Nagercoil and Kanyakumari was organized, offering students exposure to historical, cultural, and natural landmarks including palaces, waterfalls, beaches, and monuments.

The tour proved to be both educational and enriching, providing memorable learning experiences.

Charity and Ethnic Day: At St. Jerome's, we believe that true education nurtures compassion and social responsibility. As part of this vision, a Charity and Ethnic Day was organized.

Students raised approximately ₹1, 00,000 in a single day and extended support to various centers serving the underprivileged, sharing their time, care, and solidarity.

The Ethnic Day celebration highlighted India's rich cultural diversity, with students proudly representing traditional attire, fostering unity in diversity.

Sports: We strongly believe that sports play a vital role in character development. A week-long Sports Day was conducted, featuring both team and individual events marked by enthusiasm and sportsmanship.

Our students actively participated in inter-college competitions, securing accolades in volleyball, throwball, kabaddi, football, and other events.

A special recognition is extended to Mr. Dillu for his outstanding achievements in powerlifting, where he secured multiple gold and silver medals in various competitions. We congratulate him and all our sports achievers for bringing laurels to the institution.

Inter-College Achievements: Our students have consistently excelled in intercollegiate competitions, winning prizes in singing, dancing, and cultural events. These accomplishments reflect the institution's commitment to fostering all-round development.

Celebrations: Throughout the academic year, we celebrated occasions such as Teachers' Day, Christmas, and other significant events. These celebrations strengthened our sense of community, reinforcing unity, joy, and shared values.

Conclusion

As we reflect on the past year with gratitude and look forward with renewed hope, we are reminded of the words of Nelson Mandela:

"Education is the most powerful weapon which you can use to change the world."

At St. Jerome's College, we remain steadfast in our mission to nurture bright minds and compassionate hearts. We are committed to shaping responsible citizens who will face the world with courage, wisdom, and integrity.

HOLY SPIRIT EDUCATIONAL SOCIETY

Secretary – **Sr. Theresa Rebello SSpS**

Holy Spirit School (CISCE) run by **Holy Spirit Educational Society** is located at **Convent of the Holy Spirit, SOS Post, and Bannerghatta Road, Bangalore - 560076**. It has 115 teaching and non-teaching qualified staff. The Institution provides holistic education to more than 2000 students by helping them to equip themselves with not only academic studies but also with extra-curricular activities like classes on Abacus, Mental Ability Enhancement Training , Dance & music, Karate, Artificial Intelligence courses and Sports coaching classes etc... Our school takes up Agro Based Industrial tour/ Picnic/outing/ exposure programmes, motivational sessions etc... which enable the staff and students to be close to nature and to one another.

The Institutions also commemorates different national and religious festivals such as Kannada Rajyotsava, Independence day, Republic day, Diwali, Christmas , International Yoga Day, International Men's day, International Women's Day Children's' day, Environment Day(plantation drives) etc... to imbibe in them the love for nation, humanity and nature. Apart from these celebrations the institution celebrates annual mega events such as Exhibition, Sports Day and School Day. The institution gives importance to visiting special schools, visiting home for destitute like 'Home of Hope' and contributing to the less privileged(clothes, groceries etc...) in order to inculcate in them the humanitarian values such as care and compassion.

Unique to the institution, Holy Spirit School (CISCE) took up the idea of reflecting upon and empowering students, parents and the public regarding the Sustainable Development Goals of United Nations. During the common assemblies by all the classes and in assembly talks by teachers the goals were reflected deeply throughout the year. As a matter of empowering and enlightening the public the school organized the school day under the theme 'Attune with Seventeen'. The display was appreciated by everyone.

In view of 'health and wellbeing' of students, the school encouraged children to consume healthy food items instead of junk food items through a program called Monthly Wednesdays Nutrition Plan. Wednesdays of every month excited children to bring unique items and eat along with their friends in the classrooms.

Notably, Holy Spirit School (CISCE) organized the Zonal level and Regional Level Kho-Kho competitions which gained popularity and recognition among the schools as well as in the vicinity. As a matter of pride the institution won five out of twelve trophies. 24 of our students played in the SGFI Kho tournaments and 4 players participated in the Karnataka Mini- Olympic Games.

In fact, 'Champions' has been the hallmark of Holy Spirit School (CISCE).

"Commit to the Lord whatever you do and your plans will be established"

As we review the academic journey of St. Mary's convent School Mandya, we entrust our efforts to excellence and purpose. The academic year 2025-2026 has been a year of growth, learning and remarkable achievements, fuelled by the combined efforts of students, sisters, teachers, parents and management.

The implementation of continuous and comprehensive evaluation has led to a marked improvement in overall class performance. Remedial classes helped some of the slow learners improve in their performance.

Students participated in National Math and English talent search examinations, earning gold medals, certificates at national, state and district levels. Structured periodical assessments for classes 1-2 and Unit tests for Classes 3-10 have proven beneficial.

Our school teams excelled in Athletics, Kabaddi, Kho-Kho, Throw ball, Karate, skating and volleyball with several students qualifying for Zonal level and district level tournaments. Notably, we successfully hosted a Zonal - Level Kabaddi event this year.

Students showcased talents in leaf art, picture composition, caption writing, Quiz Speech and Debate. A Few Students learned coding basics and competed in a robotics competition in Bangalore.

One of the year's significant highlights was the Science, Art, Social and Math Exhibition. It showcased the student's innovative projects and creative talents. We saw a remarkable level of parent's participation, making it one of the year. We celebrated National Festivals, Kannada Rajyotsava, Labours Day, Teacher's & Chil most s events of the successful collaborative, even Year Rajyotsava, Teachers & Children's day and Christmas with great respect and joy.

To celebrate our students to the school organized grand Food Fete. It was the highlight of the day, and the children enjoyed it to the maximum, creating a vibrant atmosphere of fun and fellowship.

We conducted regular PTMs and organized a special PTM specifically for class x, where parents showed keen interest and cooperation on their Children's progress.

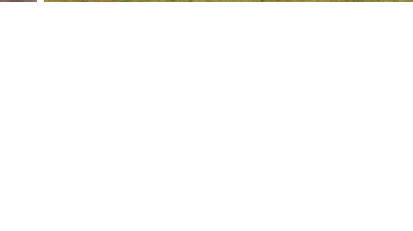

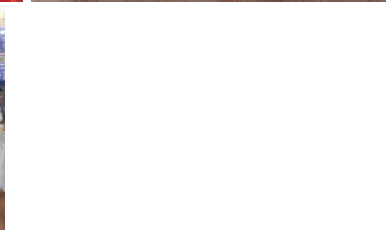

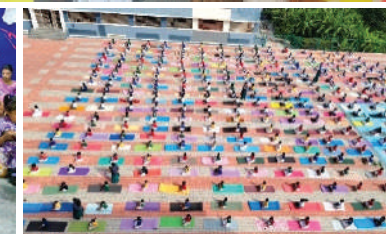

This year, we organized several outings to provide students and staff with much needed recreation and exposure.

Classes I-VI enjoyed an energetic day of fun at the local water park, and classes VII-X had an enriching trip to Madikeri where they explored the natural beauty and heritage of the region. Our teachers also had the opportunity for a one-day outing to Wayanad, providing a much needed time of relaxation and enjoyment.

The Faculty attended various professional development workshops and two seminars where our teachers performed exceptionally well and received valid certificates of participation at the Elavate 2025 Educator skill enhancement workshop.

On the activity day, Students scoring between 80% and 90% will be awarded medals and certificates. Special recognition will be given to any student and teacher who achieve 100% attendance for the year 2025-2026.

VISION AND MISSION - We the Salesians of Don Bosco of the Sacred Heart Province of Bangalore, in imitation of the compassionate love of the Sacred Heart, commit ourselves to the integral and inclusive development of the youth, especially the poor and the marginalized, and the other disadvantaged sections of society, in collaboration with all those who strive for the realization of the a new society based on the Gospel values of live, peace and justice, in the Don Bosco way."

4. ACTIVITY REPORT 2025–2026

1. Introduction - Don Bosco dedicated his life to uplifting poor and abandoned youth with hope and God's love. The Salesians Province of Bangalore, founded in 1979, has grown into the Sacred Heart Province serving Karnataka and Kerala. Today, with 349 members across 44 centres, it continues supporting the poor through education, care, and social services.

2. Educational Apostolate - Education remained a key focus of the Province. In 2025–2026, it managed 20+ schools, 10+ colleges, and about 15 technical institutes, serving around 350,000 students, with an additional 6,000 youth benefiting from vocational training.

3. Social Development and Outreach - The Province's social development wing expanded its outreach in 2025–2026, benefiting over 100,000 children and youth and 80,000 adults, including women and farmers. Its programmes focused on rural development, livelihoods, women's empowerment, and education, alongside job fairs, health awareness camps, and community initiatives to improve employment and living conditions.

4. Child Protection and Rehabilitation - The Province continued its focused efforts to protect, rehabilitate, and reintegrate children at risk, directly supporting around 10,000–12,000 children during the year. Through rescue operations, bridge schooling, shelter care, counselling, and family reintegration, it upheld its commitment to safeguarding the dignity and rights of vulnerable children.

5. DREAM Project (Drug Prevention and Rehabilitation) - The DREAM Project continued tackling youth substance abuse in Kerala during 2025–2026 by expanding awareness campaigns in educational institutions and reaching thousands. It strengthened prevention, counselling, and rehabilitation through collaboration with government and partner organizations, promoting healthy and responsible lifestyles among young people.

6. Youth Ministry and Animation - Youth ministry continued to thrive, engaging over 20,000 young people in leadership training, youth parliaments, cultural events, and sports. These programmes promoted leadership, social responsibility, and community involvement, while festivals and interactive gatherings helped youth develop their talents and values.

7. Parish and Pastoral Ministry - The Province advanced its pastoral mission by serving over 30 parishes across multiple dioceses, reaching thousands through catechesis, retreats, and family ministries. Emphasis on youth engagement and small Christian communities strengthened faith and community life.

8. Women and Community Empowerment - Women empowerment remained a key focus, supporting over 30,000 women through self-help groups, skill training, and awareness campaigns. Programs like self-defence and leadership development boosted confidence and independence, improving their socio-economic status.

9. Skill Development and Employment Initiatives - During 2025–2026, the Province focused on youth skill development, training over 10,000 young people in trades such as automotive, electrical, IT, and hospitality. Strengthened job placement services and industry-linked job fairs helped many secure employment, reducing unemployment and improving livelihoods.

10. Health and Community Services - Healthcare outreach remained a key social commitment of the Province. Over 80 medical camps were conducted, benefiting more than 40,000 people through health check-ups, screenings, mental health awareness, and nutrition education, along with targeted support for underserved communities.

11. Overall Impact - During 2025–2026, the Province's combined efforts positively impacted multiple sectors, reaching over 250,000 beneficiaries through education, social, pastoral, and development initiatives.

12. Conclusion - In conclusion, the Salesians Province of Bangalore continued its mission of serving young people and marginalized communities in 2025–2026 with dedication. Through education, social development, and pastoral care, it made a meaningful impact on society. The commitment of the Salesian community and the support of collaborators and well-wishers remain central to this transformative work.

CONGREGATION OF MOTHER OF SORROWS SERVANTS OF MARY (MSSM)

Secretary – **Sr. Clara (MSSM)**

I Introduction

1. **Name of the Society :-** CONGREGATION OF MOTHER OF SORROWS SERVANTS OF MARY (MSSM)
2. **Year of Establishment:-** 08/12/1954

3. Brief background of the Society:-

The foundation of our Congregation was found by young Tamil Woman Maria Soosai Natchathiram in Tiruchy, Tamilnadu. She was the sixth child from the family of piety who lived in the parish of Dharmalingapuram, Tiruchy which was dedicated to our Lady of Seven Dolours.

Maria Soosai Natchathiram Wanted to live for God alone like her brother Michael who joined the Congregation of the Sanyasis of Our Lady of Seven Dolours which was founded in 1850. Parents were shocked when they heard about her aspiration. They tried to dissuade her saying that in the Society of that time, a woman remaining unmarried was an anomaly and could not even be thought of. In this state of affairs, she began to share with her friends about her desire and the kind of life she wanted to live. A few among them were drawn towards the life of total dedication in God. So they strictly refused the marriage. Hence their parents forbade them.

Under the guidance of Maria Soosai Natchathiram the girls were very firm. With great trust in God they spent time in prayer. In tears they repeatedly requested their parents to grant their request. God touched the heart of their parents and finally they gave them a long awaited permission to live religious life.

After getting their parents' permission, the six young women were overjoyed and went to Fr. Peter Meccati. They expressed in detail of their desire to live religious life and the difficulties they had met with. Fr. Meccati who in turn communicated it to Mgr. Alexis Canoz. But the foundation of the congregation was getting delayed indefinitely. Around 6 January 1854 one of the six young girls named Muthamma died. So the strength of the group was reduced into five.

Finally in the year 1854, Mgr. Canoz placed the small group of women under the care of Fr. Mecatti and accepted this small group of five young women as a religious congregation on 8 December 1854.

4. Number of Institutions Under the Society:- 02 (Karnataka State Board)

Pre Primary :- Nursery to U.K.G (Servite Pre Primary School)

Primary :- I to VII Standard (Servite English Higher Primary School)

II. Vision and Mission - Vision:

Drawing inspiration from Mary, the Mother and Servant of the Lord, we aim to transform the society into the people of the Resurrection

Mission: Empowering women and setting fire in the hearts of youth for the reign of God is the mission entrusted to us by the Church through our Constitutions.

III. Society Activity Reports

SERVITE SISTERS MSSM – SOCIETY ACTIVITIES

We, the Servite Sisters MSSM (Mother of Sorrows Servants of Mary), are committed to serving society through various ministries rooted in love, compassion, and faith. Inspired by Mother Mary, we reach out especially to the poor, the suffering, and the marginalized, striving to be instruments of God's mercy and love.

1. Educational Ministry: Education is one of our primary missions. We provide quality education that forms not only the intellect but also the character of students. Along with academic excellence, we instill moral values, discipline, and sense of responsibility. We especially support children from poor backgrounds, helping them grow into confident and compassionate individuals.

2. Medical Ministry: In the medical field, we serve the sick, the elderly, and the neglected with care and compassion. Through health services, visits, and support, we bring healing and comfort. We also provide emotional and spiritual care, helping people find strength and hope in times of suffering.

3. Social Ministry: Our social ministry focuses on uplifting the marginalized and empowering the poor. We organize programs that promote awareness, self-reliance, and human dignity. We work especially for the welfare of women and children, helping them to lead better and more secure lives.

4. Evangelization Ministry: Evangelization is at the heart of our mission. We share the Good News through prayer, teaching, and witness of life. We conduct faith formation programs and encourage people to grow in their relationship with God and live according to Gospel values.

5. Counselling Ministry: We offer counselling services to those facing personal, emotional, and spiritual challenges. By listening with care and understanding, we guide individuals to find peace, clarity, and strength to face life's difficulties with courage.

Conclusion: Through all these ministries, we strive to be witnesses of God's love. With faith and dedication, we continue our mission of bringing hope to the needy, healing to the suffering, and peace to all.

PRECIOUS BLOOD MISSIONARIES SOCIETY

Secretary – **Fr. Chakravarthi Geddada**

Society Name: Precious Blood Missionaries, was founded by St. Gaspar Del Bufalo, in Rome in the year 1815. It is a religious congregation having popular mission and Retreat Preaching as its Charism. In addition, it also takes care of the needs of the area through the ministries like Education, Orphanages, Home for the aged, Tribal Mission and Pastoral care.

Educational Institution: St. Gaspar Vidyalaya, is the only institution in Karnataka run by the society and 4 other institutions are located outside Karnataka.

Background: ST. Gaspar Vidyalaya, registered under the society of the Precious Blood Missionaries, was established in the year 2004, in Kithiganur panchayat, to impart Education along with the Character formation and discipline that will contribute to the society in the future. Considering the need of the area, the priests visualised the institution to foster education to the children living in the slum areas. Initially free education was provided for 6 years and later a minimum fee is collected. Currently the institution accommodates and caters to the needs of local children who cannot afford to the expensive institutions.

THE ACTIVITIES OF THE AY 24-26.

Inaugural Day: the AY 2025-26 was inaugurated on 29/05/25, by welcoming the children with roses, sweets and take-home gifts, by which arose in the children motivation feeling valued and a great number of them have participated in the event. This boosted the interest in the students towards the school and the academics.

Academics: The Children are endowed with the knowledge imparted by the teachers, not just limiting to the Textbooks alone, but crossing beyond paving the way for the exploration of the self-knowledge through activity-based learning, work sheets, self-evaluation, counting on the progression etc. The parents are happy to give their feedback acknowledging the improvement in their child. The institution provides all round development of the students instilling confidence and preparing them for a better future. The institution has secured 100% results in the SSLC Board Exams in the Academic Year.

Environmental Day: It was celebrated on 5th June 2025, and the importance the environment was explained through enactment, speeches and videos. The dangers waiting ahead are clearly portrayed and the students have taken a pledge to protect the environment ensuring a better and safe environment for the future generations. The Motto 'Reduce, Refuse, Reduce, Reuse, Recycle' for the year was explained in the campaign, and the children made a rally with the placards, shouting slogans, bringing awareness in the locality about the same.

Father's Day: it was observed on the bag free Saturday of month of July, and fathers of the children were invited to the school premises about 200 of them attended. The video clips of the of their own father, working conditions and difficulties they face to bring the food on the table were displayed which they are unaware of. They are self-explanatory, which made all the students to become emotional. Most of the people who lost the father have recalled the love they experienced which they currently miss out. The children surprised the fathers with their gifts, bonding the love between them.

Independence Day: The celebration of 79 years of Independence has a remarkable impact on the students. The students have taken interest and exhibited their patriotism through various activities like cultural, patriotic, freedom fighters, and portrayals through dances. During the celebrations the parents witnessed the hidden skills of the students and cherished the memories.

Gratitude Day: The gratitude towards the Teachers was shown by the students. They acknowledged the service done by their second parents, educating them in academics, sports and co-curricular and other disciplines. The SSLC students have organised the whole program and discovered their own teamwork and entertained the teachers through programs, imitations, and party games. They also have shown gratitude to their priceless service by gifting them on behalf of the class.

Children's Day: The teachers in turn have shown their talents to the students on 14th of November. All the teachers' young and old have taken part to entertain the children with their performances enacting the classroom fun, dances and songs. They have become like children and ensured the value of the childhood memories.

Christmas Celebration: 'The birth of the Saviour is a joy to the whole world', and it is truly witnessed in ST. Gaspar Vidyalyaya where in children of all faiths come together to celebrate the Christmas. Through the enactment, skits in different languages, the message is conveyed about saviour. Irrespective of the religion, all have joined the hands in making the event successful, to cherish the memories during the Christmas vacation.

Annual Day Celebration: The School Day was celebrated on 18th Jan 2026, Sunday, came up with the theme 'Veer' to pay tribute to the unrecognised heroes of the society. They are namely the soldier, the farmer who feeds us, and the Women who are doing multiple tasks, and the Transgender community who are facing rejection. The guests were invited from the same spheres. 1) Mrs. Sabitha Kolkar, a War widow of the Kargil War, 2) Mr. Anand and Mrs. Vimala from Sishumandir who are empowering the women, 3) Mrs. Nandita Shekhar a Transwoman who crossed the hurdles and achieved an honorary Doctorate, and above all 2 farmers namely 4) Mr. Raghu and Mr. Muniswamy representing all the Farmers in the country. This theme has given a greater impact on the students to recognise the real heroes and to take them as a role model overcoming all the difficulties and contribute to the nation building. The students have given the best performances, and the Annual day stands as the milestone in the history of the school.

Sports: The Children have performed well in the sports held specially in Kabaddi, winning several trophies during the year. The students have participated in the competitions held in Taluk, District, Divisional and State Level Kabaddi Competitions. They also have reached to the national level Kabaddi competitions held at Nasik, and international level at Pokharam, Nepal and won the Championships. They made the institution proud making our banner fly high.

Picnics: To relax away from the routine lifestyle, study trips, picnics were organised by the institution to enable the children for a better exploration. A day trip to Club Cabana to the Primary, 2 day trip to Murudeshwar and Udupi was organised to the high school students. In addition, visitation to the heritage sites like Rangoli Garden, depicting the history of Karnataka, visit to the Christ University, Science Exhibitions related to the Academics were organised for the practical training of the students.

Conclusion: The Academic year was well begun and ended well, filled with great learning in academics, sports, Co-curricular, having our regular PTM. We also acknowledge the drawbacks during the year, through the suggestions given by the parents. We accept and incorporate those to make ourselves better in the fourth coming Academic Year.

CONGREGATION OF THE MOST HOLY REDEEMER

Secretary – **Fr. John Mathew CSSR**

Society: CSSR (Congregation of the Most Holy Redeemer)

Established: 1956 VISION

Walking in the footsteps of the Holy Redeemer, we, the Redemptorist Fathers, through our educational institutions,

Seek to impart an education that inspires holistic, integrated, and value-based growth in every student.

MISSION STATEMENT

“Service & Progress”

We are committed to providing an inclusive and value-based education that nurtures growth, builds character, and inspires a love for learning. We strive to form responsible citizens who serve God and the nation with gratitude, dedication, and hard work.

BRIEF BACKGROUND OF THE SOCIETY

St. Alphonsus School was founded in 1955 as a humble missionary initiative to provide education to poor children of Holy Ghost Parish. What began under the shade of trees with just 90 students, guided by the dedicated Sisters of St. Joseph of Tarbes, grew through faith, sacrifice, and unwavering commitment.

With the support of the Redemptorist Fathers and generous benefactors, the school gradually developed its Infrastructure and expanded academically. From its beginnings as a primary school, it grew into a full-fledged high school, nurturing generations of students, especially from economically weaker sections.

Over the years, the institution has remained deeply rooted in its mission of serving the poor through value-based education, pastoral care, and social outreach.

Today, under the leadership of Rev. Dr. John Mathew, the Academy has expanded further with improved facilities, enhanced educational opportunities, and a continued focus on holistic development.

From its modest beginnings to a flourishing institution, St. Alphonsus School stands as a living testimony of faith, dedication, and service.

SOCIETY ACTIVITY REPORT (2025–2026)

During the academic year 2025–2026, St. Alphonsus Academy focused on academic excellence and holistic development. Regular classes, examinations, and evaluations were conducted systematically, ensuring steady academic progress.

Students actively participated in cultural, literary, and sports activities, enhancing their talents and confidence. National and religious celebrations were meaningfully observed, fostering values and unity.

The institution also emphasized social responsibility through outreach programs and awareness initiatives. Teacher development programs were conducted to strengthen teaching effectiveness.

With committed management, dedicated staff, and enthusiastic students, the Academy continues to uphold its legacy of excellence and service.

THE PRECIOUS BLOOD EDUCATIONAL SOCIETY

Secretary – **Sr. Shainy**

The Precious Blood Educational Society

· Year of Establishment: 1982

Brief Background of the Society

The Journey of Aradhana: Commitment to Success

“Commit to the Lord whatever you do, and your plans will succeed.” – Proverbs 16:3

These lines perfectly reflect the inspiring journey of Aradhana Academy. The institution was founded on strong values of commitment, dedication, and service by **St. Maria De Mattias**, a visionary from Acuto, Italy, who devoted her life to educating the marginalized and uplifting women.

The mission was further carried forward by the **Sisters Adorers of the Blood of Christ**, whose tireless efforts and selfless service have been instrumental in shaping the institution into what it is today.

In the year **1982**, under the leadership of **Sr. Mariama Muttel, ASC**, a humble beginning was made with just **two classes (LKG & UKG)** consisting of **20 and 24 students** respectively. Initially named *Maria De Mattias School*, the institution was later renamed *Aradhana School* due to ease of pronunciation by the local community, and eventually grew into **Aradhana Academy**.

Number of Institutions under the Society: 3

The Precious Blood Educational Society operates institutions across **Bengaluru, Mysuru, and Tarikere**:

- **Pre-University Colleges (PUC):**
 - o Aradhana PU College – Bengaluru
- **ICSE Board Schools:**
 - o Aradhana ICSE School, Bengaluru (Pre-Nursery to 10th Standard)

Vision

Motto: *Service the Highest Achievement*

Core Values: *Empower Explore Excel*

During the early 1980s, when Bannerghatta was surrounded by forest and rural settlements, the Sisters of the Adorers of the Blood of Christ courageously reached out to underserved communities. They walked through isolated villages, connecting with families who lived with limited resources and opportunities.

Their compassionate approach, simple lifestyle, and genuine concern for the welfare of the people earned the trust and respect of the local community. With a strong commitment to social service, they laid the foundation for education as a means of transformation.

A small school with just **three classrooms and basic facilities** was established in what later came to be known as **Aradhana Layout, Arekere**. Education was made accessible at a nominal fee, encouraging families to send their children to school despite challenges such as distance, lack of transport, and social hesitation.

Initial Growth & Community Impact

The Sisters faced numerous challenges, including language barriers, limited resources, and initial community hesitation. However, through:

- Home visits
- Transparent service
- Genuine compassion

They gradually built trust and inspired confidence among the people. Their work was driven purely by a spirit of service rather than profit, which made their efforts deeply impactful.

Academic Expansion & Infrastructure

As a result of sustained dedication and hard work, the institution witnessed remarkable growth. In **2007**, significant developments took place:

- Introduction of the **ICSE curriculum** alongside the State Board
- Construction of a **new building with a 1,000-seat auditorium**
- Addition of **Dance and Music Rooms and a Recording Studio**
- Establishment of **well-equipped Science and Computer Laboratories**

These advancements significantly enhanced the quality of education and overall student development.

Mission

To provide holistic, value-based education that nurtures intellectual growth, moral integrity, and social responsibility, enabling students to become confident, compassionate, and self-reliant individuals who contribute positively to society.

CONGREGATION OF JESUS MARY JOSEPH (JMJ)

Secretary – **Sr. Santosh Mary JMJ**

Introduction

JMJ Schools are educational institutions inspired by the mission and spiritual values of the Congregation of Jesus Mary Joseph (JMJ). Rooted in Christian principles, these schools focus on holistic education by promoting academic excellence, moral values, social responsibility, and spiritual growth among students from diverse backgrounds.

The philosophy of JMJ education emphasizes shaping knowledgeable, compassionate, and responsible individuals committed to serving society. The institutions uphold their founders' vision by integrating faith, discipline, and service into everyday learning.

Vision and Mission

The vision of JMJ Schools is to create a just and humane society by forming individuals who are intellectually competent, morally upright, spiritually inspired, and socially committed.

Mission

The mission of JMJ Schools includes:

- Providing quality education accessible to all, especially the marginalized.
- Promoting integral development of students—intellectual, emotional, physical, social, and spiritual.
- Instilling values such as love, justice, peace, and respect for human dignity.
- Encouraging students to become agents of positive change in society.

The objectives of JMJ Schools are designed to ensure holistic development:

1. Academic Excellence

The schools aim to maintain high academic standards through innovative teaching methodologies, well-qualified faculty, and continuous evaluation systems.

2. Value-Based Education

Moral and ethical values are central to the curriculum. Students are guided to practice honesty, empathy, discipline, and respect.

3. Spiritual Formation

While respecting all religions, the schools provide opportunities for spiritual growth through prayer, reflection, and value education.

4. Social Responsibility

Students are encouraged to engage in social outreach programs and community service initiatives.

5. Leadership Development

JMJ Schools focus on nurturing leadership qualities such as decision-making, teamwork, and accountability.

Teaching Methodology

JMJ Schools adopt modern and student-centered teaching approaches:

Interactive Learning: Classrooms encourage discussion, participation, and collaborative learning.

Activity-Based Teaching: Use of projects, experiments, and real-life applications.

Technology Integration: Smart classrooms, digital tools, and e-learning platforms enhance teaching effectiveness.

Continuous Assessment: Regular tests, assignments, and feedback ensure consistent academic progress.

Teachers act as facilitators, guiding students to explore knowledge rather than merely memorizing content.

Co-Curricular and Extracurricular Activities

JMJ Schools place great importance on activities beyond academics:

Arts and Culture: Music, dance, drama, and fine arts are encouraged.

Sports and Physical Education: Regular training and competitions promote fitness and teamwork.

Clubs and Associations: Science clubs, literary clubs, eco clubs, and social service groups.

Competitions and Events: Annual day, sports day, inter-school competitions, and exhibitions.

These activities help students discover their talents and build confidence.

Value Education and Discipline

Discipline in JMJ Schools is not merely about rules but about self-regulation and responsibility. Students are taught to:

Respect teachers, peers, and elders.

Follow ethical principles in daily life.

Develop habits of punctuality and sincerity.

Value education programs include storytelling, moral instruction, group discussions, and real-life examples that shape character formation.

Spiritual and Moral Formation

Although rooted in Christian values, JMJ Schools maintain inclusivity and respect for all faiths. Spiritual activities include:

Morning assemblies with prayers and reflections.

Observance of important religious and national events.

Opportunities for meditation and silent reflection.

Value-based teachings inspired by universal moral principles.

This fosters inner peace, tolerance, and respect for diversity.

Social Outreach and Community Service

JMJ Schools actively promote social awareness and responsibility:

Visits to orphanages, old age homes, and hospitals.

Participation in environmental campaigns and cleanliness drives.

Fundraising for charitable causes.

Awareness programs on social issues like health, education, and sustainability.

Students learn empathy and develop a sense of service towards society.

Faculty and Staff

The success of JMJ Schools largely depends on their dedicated and qualified faculty. Teachers are:

Professionally trained and experienced.

Committed to student welfare and development.

Regularly updated through workshops and training programs.

Encouraged to adopt innovative teaching practices.

Support staff also play a crucial role in maintaining a safe and conducive learning environment.

Infrastructure and Facilities

JMJ Schools provide well-equipped infrastructure to support learning:

Spacious classrooms with modern teaching aids.

Science and computer laboratories.

Libraries with a wide range of books and digital resources.

Sports facilities and playgrounds.

Safe and hygienic campus environment.

Some institutions also offer transportation, counselling services, and health facilities.

Achievements and Recognition

Over the years, JMJ Schools have achieved numerous milestones:

Consistent academic results with high pass percentages.

Awards in sports, arts, and cultural competitions.

Recognition for social service initiatives.

Alumni excelling in various professional fields.

These achievements reflect the commitment of the institutions to excellence and holistic education.

Challenges and Opportunities

Like all educational institutions, JMJ Schools face certain challenges:

Challenges

- Adapting to rapidly changing educational technologies.
- Meeting diverse learning needs of students.
- Balancing academic pressure with holistic development.

Opportunities

- Expanding digital learning platforms.
 - Strengthening global educational collaborations.
 - Enhancing skill-based and vocational education.
- By addressing these challenges, JMJ Schools continue to evolve and improve.

Role of Parents and Community

JMJ Schools believe in strong collaboration between school, parents, and community:

- Regular parent-teacher meetings ensure transparency and communication.
 - Parents are encouraged to participate in school activities.
 - Community partnerships enhance learning opportunities and social impact.
- This collaborative approach strengthens the overall educational experience.

Future Prospects

JMJ Schools aim to continue their mission with renewed focus on:

- Integrating advanced technology in education.
 - Promoting inclusive and equitable education.
 - Enhancing global perspectives while preserving core values.
 - Developing environmentally responsible citizens.
- The institutions aspire to remain relevant and impactful in a rapidly changing world.

Conclusion

JMJ Schools provide value-based education by blending academic excellence with moral and spiritual development. Through holistic learning, they prepare students to face modern challenges with strong ethical values, shaping responsible, compassionate, and capable individuals who contribute positively to society and nation-building.

Educating young boys and girls represents a genuine promise for the future.

Our educational institution offers concessions to poor students. Parents are extremely pleased with the services we provide and the assistance extended to them.

SOCIAL MINISTRY

The recent conflict in Manipur created a humanitarian crisis that deeply affected thousands of families, especially young girls whose lives were suddenly disrupted by violence, displacement, and uncertainty. In such difficult circumstances, education, safety, and emotional stability became immediate concerns. Recognizing this urgent need, we undertook a compassionate and transformative initiative to shelter, feed, educate, and support displaced Manipuri girl students.

As we continue to serve these precious children, we remain committed to being a voice for the voiceless, a refuge for the abandoned, and a source of hope for the hopeless. The commitment to community welfare includes initiatives focused on the empowerment of women, programs designed for children and the elderly.

OUT REACH PROGRAMME

Outreach programmes play a vital role in extending support, education, and empowerment to communities that are often forgotten or underserved. The initiatives undertaken with a deep commitment. Through various activities aimed at education, health and hygiene the Society continues to make a meaningful difference in the lives of individuals residing in remote and marginalized areas.

Free Tuition – in Remote Villages

Education is the foundation of a bright future, but many children in remote villages face challenges in accessing quality learning. Recognizing this need, our dedicated sisters have been providing free tuition to students studying in local medium schools in the villages. Their selfless work has made a significant difference in the lives of these children.

The Sisters conduct regular classes in subjects like Mathematics, Science, English, and Social Studies. They also provide extra support to students who struggle with certain topics through remedial sessions.

Caring For the Aged & Sick

Free Family Counselling for the Local Community families:

The family is the foundation of society, and strong relationships support emotional and mental well-being. This program focused on resolving family disputes, improving communication, and managing stress. Free counselling services and home visits were provided to help families lead healthier and more fulfilling lives.

Board members regularly met to oversee society activities, make decisions, address issues, and plan future work. Meetings included review of maintenance, institutional performance, and financial reports to ensure transparency and accountability.

The sisters received ongoing formation and training to strengthen their mission work and serve the needy with confidence. The society president also conducted online classes, input sessions, and guidance to support effective coordination and smooth functioning of all activities.

Conclusion:

We are pleased, joyful, and assured that God, who empowers us to perform the aforementioned services, will remain with us. We are eternally grateful to the kind individuals who support and contribute to these services. We firmly believe that our founder, who initiated this mission, will thrive through his daughters. May God assist us in utilizing our knowledge, time, energy, success, and diligence for the greater good.

May God bless everyone!

SISTERS OF ST. ANN EDUCATION SOCIETY

Secretary – **Sr. kantha Salve**

With great pride and gratitude, we present the Annual Report for the academic year 2025–2026 of our institutions. This report highlights the achievements, progress, and activities carried out during the year in the following institutions:

I. St. Ann's High School, Nelamangala

Where courage guides us and truth defines us, excellence follows. Every success story here is written with hard work, hope, and heart.

And this academic year 2024–25 has been a story of hard work, a journey of learning, renewal, and collective accomplishment. Our focus on holistic education has guided us in strengthening academics, enriching co-curricular activities, and nurturing character and discipline in every student.

A school's strength is not in its buildings, but in the dreams, it helps shape.

This year was truly special as we celebrated 25 glorious years of our institution—a journey marked by growth, dedication and countless memories. It fills me with pride and gratitude to present the Annual Report of 2024–25.

From efforts to achievements, from memories to milestones - We proudly share our journey.

1. **SHINING STARS OF ACADEMIC EXCELLENCE:** Congratulations to our Outstanding 10th Std. students! Of 2024-25
2. We are proud of last year's 10th Standard batch for their excellent performance and remarkable results. The students achieved 40 Distinctions and 61 First Classes, showcasing their hard work and dedication. The batch also recorded cent percent results in several subjects, with 4 students scoring full marks in English, 3 in Social, and 1 in Science. These achievements reflect the combined efforts of students, teachers, and parents.

3. VISITS & INSTITUTIONAL MILESTONES:

3.1 We were blessed with the gracious visit of Mother General Rev. Sr. Francisca Head of the institute of Sisters of St. Ann's and the Vicar General Sr. Anita Lobo. Their presence and inspiring message filled us with joy and hope.

3.2 CBSE Inspection

Among the many highlights of this academic year, one moment stood out as truly defining -our successful CBSE Inspection conducted as a part of the affiliation process. The inspection committee appreciated our infrastructure, management support and academic environment. It shows the milestone in the school's journey towards excellence.

4. A GRAND BEGINNING: Re-opening of the Academic Year 2025–26

The academic year began with a grand re-opening ceremony, invoking God's blessings and setting the tone for a year of excellence. The campus came alive with the smiles of students returning with renewed energy and enthusiasm.

5. DIGITAL GROWTH, ACADEMIC EXCELLENCE AND INFRASTRUCTURE DEVELOPMENT:

5.1 Focused Learning Environment

A seminar on "How to Focus on Studies" was conducted to help students build concentration, discipline and effective study habits.

5.2 Smart Classroom Enhancement

All classrooms were upgraded with Smart Boards, installed with modern educational software such as Tata Edge, Teach mint, Class Saathi and MI kids specially in lower classes. Teachers received comprehensive training, enabling an innovative and interactive classroom experience for enhanced learning.

5.3 Abacus and Vedic Mathematics

Abacus and Vedic Maths, introduced two years ago as optional programmes, are now successfully implemented across the school, with students showing improved speed and accuracy. This year, Cube learning enhanced logical thinking and quick problem-solving, while Calligraphy sessions improved handwriting, patience, and creativity.

5.4 Robotics Education

We have also initiated Robotic Classes, which will be fully implemented in the upcoming days, preparing our students for future technological advancements.

5.5 New Washroom Facility

A new hygienic washroom block was constructed to ensure cleanliness and comfort for our students.

6. CO-CURRICULAR ACTIVITIES & COMPETITIONS: JOY OF EXPRESSION

6.1 Creative Assemblies

Each class conducted Creative Morning Assemblies with skits, values, songs, mime, news reading and inspirational messages.

6.2 Drawing & Fancy-Dress Competitions

Students actively participated in Drawing Competitions and a Colorful Fancy Dress Competition, displaying tremendous creativity.

6.3 Science Exhibition & Galaxy Movie:

Our students showcased their innovative thinking during the Science Exhibition. They also enjoyed a fun and educational Galaxy Movie experience.

6.4 Participation beyond the Campus:

We encouraged students to participate in various extra-curricular activities outside the school premises and in Taluk-level sports competitions, where they performed commendably.

7. LEADERSHIP & SCHOOL ADMINISTRATION:

This year too, we had the election of the school SPL and cabinet members. Students actively participated and voted responsibly. The elected leaders were officially honored during the Investiture Ceremony with the inspiring theme: "Lead with Integrity, Share with Passion." Badges were distributed, and the leaders pledged to uphold discipline and service.

8. PERSONALITY DEVELOPMENT & MOTIVATION:

Students attended a seminar on How to Focus on Studies, conducted by experts who taught useful techniques for concentration and time management.

We also had a motivational session on the Power of Integrity — Building Trust and Respect, reminding us that integrity is the foundation of strong character.

9. HEALTH & WELLNESS INITIATIVES:

Ensuring the holistic wellbeing of our students remained one of our top priorities this year. A series of meaningful initiatives—including

- Doctor's Day Celebration, expressing gratitude towards doctors for their service in medical professional
- Cancer Awareness Seminar for students to understand health and preventive measures,

To promote student health, management organized Medical Tests: Anaemia check-ups and vaccinations for 5th and 10th standard students were conducted with expert support.

- Cracker awareness programme to promote safe celebration of festivals, these programmes not only strengthened students' physical health but also built awareness, responsibility, and positive habits essential for their growth.

10. SPORTS & PHYSICAL DEVELOPMENT:

To make this year's Annual Sports Meet a grand success, various competitions were held throughout the year for students, parents, and staff. Students also excelled at taluk-level sports events, bringing pride to the school. International Yoga Day was celebrated to promote physical and mental wellness.

11. "NURTURING MINDS, SHAPING FUTURES"

12. The kindergarten section had a joyful and vibrant year filled with activity-based learning. Theme-based celebrations like Colours Day and Jackfruit Day helped children learn through real-life experiences. Rhymes, action songs and nature-based activities enhanced their language, coordination, curiosity and sensory skills. These engaging activities supported the overall cognitive, physical, social and emotional development of the children.

13. CELEBRATIONS & SPECIAL DAYS

14. Throughout the academic year, the school celebrated various cultural, national, and value-based events such as Children's Day, Teachers' Day, Independence Day, Republic Day, Gandhi Jayanthi, Kannada Rajyotsava, and St. Ann's Feast Day, promoting unity, patriotism, and cultural awareness among students. Together we learn, achieve, and grow. As we conclude the Annual Report, we sincerely thank the Management, teachers, parents, and students for their support and contribution to the school's progress. This year was especially memorable as St. Ann School celebrated its Silver Jubilee, marking 25 years of excellence. We look forward to another year of growth, learning, and success for all.

II. ST. ANN'S SCHOOL, SUNDAHALLI (FATHIMAPURA)

SCHOOL CAMPUS AND ATMOSPHERE

Our school has a serene, green campus surrounded by trees and coffee plantations. The peaceful, noise-free environment and clean air create an ideal setting for learning, focus, and personal growth, making it an inspiring and healthy place for education.

ABOUT SSLC RESULT

We are pleased to share the SSLC Board Exam results for 2024–25. Varshitha topped the school with 614/625 (98.24%) and was honoured at both taluk and district levels; her achievement was also featured in local newspapers. Several students scored 100% in different subjects. Overall, 14 students secured Distinction, 18 First Class, and 1 second Class. The management, staff, and students congratulate all achievers and wish them success in their future studies.

WORLD ENVIRONMENT DAY

World Environment Day was celebrated in our school with great enthusiasm. A special assembly highlighted the importance of protecting the environment, followed by speeches, poems, and messages by students on nature conservation. Teachers and students planted saplings to promote a greener campus. The school surroundings, filled with trees and greenery, provided a perfect setting for the celebration. All students actively participated in the activities.

INSTALLATION CEREMONY

A true leader not only shows the path but also leads by example. Our school conducted the installation ceremony of the student cabinet for 2025–26, where the newly elected leaders took an oath to serve with sincerity and commitment. The four houses—Daffodils, Roses, Bluebells, and Shamrocks—actively participated in various competitions throughout the year, promoting teamwork, unity, and school spirit.

INDEPENDENCE DAY

Independence Day was celebrated in our school with great pride, patriotism, and enthusiasm. The programme began with the hoisting of the national flag, followed by the singing of the national anthem, filling the entire campus with a spirit of unity.

CHILDREN'S DAY

Children's Day was celebrated in our school with great excitement and joy. Teachers organized the programme and performed dances, songs, and skits as a special treat for the students. The students enjoyed watching their teachers on stage, and the event was filled with happiness, laughter, and applause.

KARATE CLASS

This year, our school introduced Karate classes to promote physical fitness, discipline, and self-confidence among students. The program aimed to teach self-defence skills and strengthen both body and mind. Qualified instructors conducted regular sessions covering basic techniques like posture, balance, coordination, and simple self-defence moves. Students actively participated, and the classes quickly became one of the most popular activities of the year.

DANCE CLASS

This year, our school introduced Dance classes to encourage creativity, rhythm, and self-expression among students. The programme aimed to help students discover their talents, improve coordination, and build confidence through various forms of dance. Under the guidance of a trained instructor, students learned basic steps, movements, and techniques from different dance styles. The classes were filled with energy and enthusiasm as students actively participated in warm-ups, practice sessions, and group choreography.

OUR KG SECTION

CO-CURRICULAR ACTIVITIES

III. The school promotes a supportive environment with co-curricular activities like storytelling, recitation, drawing, essay writing, singing, rangoli, and dance, helping students develop communication, creativity, and values such as teamwork and honesty. Students also achieved success in zonal and taluk-level sports and Pratibha Karanji competitions, winning prizes in various events and advancing to higher-level contests, bringing recognition to the school in academics, sports, and cultural activities.

IV. St. Ann's High School, Hubli

The academic year 2025–26 at St. Ann's High School, Hubli was a fruitful journey of learning, values, and achievements. Students actively participated in major celebrations, cultural events, sports, competitions, and awareness programs that enriched their overall development. Social initiatives fostered empathy and responsibility. The year concluded with the 10th Farewell Party “Reminiscence” and the Valedictory Programme, marking a memorable and successful end to the year.

St. Ann's High School, Kuntikan

Co-Curricular and Awareness Activities

Our school regularly conducts programmes for the overall development of students. An awareness programme on drug addiction was held to educate students about its harmful effects and promote a healthy lifestyle. A Road Safety Awareness Programme was also conducted to teach traffic rules and safe practices. International Yoga Day was celebrated to encourage physical and mental well-being. The Annual Day was observed with enthusiasm, showcasing students' talents through cultural activities. National festivals such as Independence Day, Republic Day, and Gandhi Jayanthi were celebrated with respect and patriotism, helping students develop a sense of national pride.

SISTERS OF MOST SACRED HEART OF JESUS

Secretary - **Sr. Sona**

The history goes long back, to dig the deep to know the beginning, rooted in Christ love, and the mission and the vision, of our founders to spread the Sacred Heart love, and to build a bridge between the broken world, to reunite the humanity, in one love and brotherhood, not in religion, but as one family and to educate the less privileged. With this great spark, and enthusiasm our sisters branched to the unknown area to build a mission, to fulfil the task for which we were been invited by the former Bishop Joseph D' Silva and with the purpose of our congregation and the wise plan of our leadership team, three of our sisters moved to the new mission in Bellary.

We **started the Sacred Heart School on June 2005** under the management of Sisters of the most Sacred Heart of Jesus. The school is situated in **Kurugodu**, in the **diocese of Bellary, the North West of Karnataka**. The school began with just **2 and then 6 students** with the **three sisters** as staff in the **rented house** itself, later due to insufficient place we moved to the **rented church premises with 9 students**.

In the beginning the classes were held in a small shed. As the years rolled on, slowly the construction of small school building was taken up in the **year 2007** with **46 children and 5 staff** the classes were held, it was a slow and steady growth in **2008 January 21st** our school was been recognized and got the **full permission from the Government of Karnataka**. In **2016** we have constructed the new school building with **10 class room along with staff room and office room**, where many students could be accommodated and give them more intensive training the growth was really a progressive where every year the strength of the school was increasing.

The tireless effort and hard work of our Sisters and Teachers we had our first **10th std batch with 12 students brought cent percent result with the very high score in the year 2016 – 2017**. From the small group now we have completed the **10th batch of 10th std students with 85 children**.

The whole school strength from the number 2 to 1400 we have reached right now it's the pride to our Congregation with the blessings of God and the hard work of 40 Teachers and 4 Sisters. We have also completed the first floor and it is been utilized by the children. The tremendous work of our Sisters, healthy support, constant accompaniment of our leadership team, financial support by our Sisters, timely guidance, and frequent visit of our Sisters from general leadership team are fondly remembered.

All this great achievements are not done in big city rather its village, a land known for the Hinduism surrounded with so much of mountains, rocks, and temples and the job of the place is agriculture where the farmers are illiterate, and nomads are the people who are surrounded by the society, and it is their children who come here for the value based education. It's an academic education on moral values where we need to inculcate these values on the children, because the people of the area are more uneducated due to their occupation. Moreover there are people who live on daily wages and the financial background is not so good, so it's our service, on charity oriented, at times where we make known the values of Christ through our gentle behaviors with the people.

The purpose of our coming to this place is well flourishing with the providence of God in educating the illiterate, less privileged, the needy and the unfortunate ones. So we feel happy to see the progress of our school and the existence of our presence in Kurugodu. We do render service to the church, helping the sick, visiting the houses, and support to the Bellary dioceses. Thanks to all who help us in the progress of our school.

SWARGARANI EDUCATIONAL TRUST

Secretary – **Sr. Tania SVM**

MISSION

We believe in giving young minds the encouragement, freedom, facilities and resources to lend a hand believe in their dreams. Swargarani equips the students with advanced knowledge and skills in their chosen vocation and provide value-based education and opportunities to students to help them face challenges in life. Students of Swargarani will be challenged to venture into new ways to push the limits of learning to the furthest possible extent in the new millennium. Students will create new possibilities, new knowledge and demonstrate new ways of doing things.

VISION

Swargarani aim is to educate young men and women, to turn out to be mature persons who are proud to be Indians, individuals who are kind, compassionate along with human excellence and who also aim at academic excellence. Hence a balance of academics as well as co-curricular activities is emphasized. HISTORY Established in the year 1997, Swargarani is the result of the untiring efforts of its founders run by the Sisters of Visitation Congregation. The school follows the philosophy of selfless service. We motivate and prepare the student by laying a strong foundation to lead a balanced life by strengthening their positive approach to life, intellectual competence, value consciousness and social commitment. Swargarani School and PU College gives itself abundantly and plays a key role in helping dreams come true. The school embodies the very essence of its motto "Lead Kindly Light". The learning it imparts, the opportunity it provides or the sterling values it encourages, Swargarani strives to provide a life of enriched experience to the students. Synonymous with brilliant academic results, Swargarani is constantly evolving and works upon the conviction that a new vision is vital for its young members. It aims at creating an atmosphere of friendliness and intellectual curiosity, thus nurturing a generation of progressive young men and women, prepared to embrace changes in the future as an opportunity rather than a treat. The outstanding performance of the school is evident from the innumerable laurels achieved in various competitions. The spirit of participation, discovering inborn talents, the pleasure of winning, the lessons of failure are all a part of the personal growth needed for the highest development of the young mind. Swargarani is ranked among the top few schools in Bangalore on the basis of its exemplary results; our unrelenting pursuance for excellence is reflected in the consistently commendable performance of our students year after year. With just a humble beginning of 7 students, Swargarani School and PU College has grown immensely. Presently having 4200 students, guided by 178 dedicated teachers and supported by 57 diligent staff members, as we journey into our 30th academic year of unstoppable talent, creativity, discipline, excellence, power, passion, achievements, beliefs, and a continuous fearless victory. In the heart of our community we stand as a proud institution that has, over the years, become a symbol of knowledge, discipline, and excellence. It is not merely a place where lessons are taught, but a vibrant environment where young minds are nurtured, talents are discovered, and future leaders are shaped. With a rich legacy and a forward-looking vision, our school continues to inspire generations of students to strive for greatness.

Our school places the highest priority on character formation, firmly believing that strong moral values are the foundation of a meaningful and successful life. It strives to instill qualities such as integrity, discipline, empathy, respect and responsibility in every student, helping them grow into principled and compassionate individuals. The school environment encourages students to make ethical choices, develop self-confidence, and build a sense of social responsibility.

Alongside this strong emphasis on character, the school is equally committed to academic excellence. Year after year, students have demonstrated outstanding performance in board examinations, securing top ranks, centum in different subjects and distinctions. This

consistent success is the result of a well-structured curriculum, innovative teaching methods, and the tireless efforts of highly dedicated teachers and the tremendous potential of our students. The faculty goes beyond textbooks, encouraging students to think critically, ask questions, and develop a genuine love for learning. Enrichment classes, doubt-clearing sessions, and personalized attention ensure that every student is given the opportunity to excel.

However, education at our school extends far beyond the classroom. Equal importance is given to sports and physical development. Our students have actively participated in various inter-school and district-level competitions, winning numerous accolades in sports such as badminton, swimming, skating, taekwondo and athletics. The

school fosters teamwork, discipline, and perseverance among students. These experiences not only contribute to physical fitness but also help in building strong character and leadership qualities.

In addition to academics and sports, our school takes great pride in its vibrant cultural and extracurricular landscape. Students are encouraged to explore their interests in music, dance, art, yoga, abacus, scouts and guides, theatre, karate and literary activities. Classes 1-4, specially tailored cultural activities nurture hands-on skills and self-expression. Inter class, inter-house dance, quiz and debate competition, sharpen intellect and foster healthy rivalry.

Participation in debates, quizzes, science fairs, inter-school competitions, Olympiad, Spell Bee, DCL and Talent Search Exam by KISA, and cultural festivals have brought recognition and awards at various levels. Students regularly participate in science exhibitions and innovation challenges, where they showcase their ideas and projects. Many have received honors at district and state levels, reflecting the school's emphasis on creativity and

innovation. These platforms allow students to express themselves creatively and confidently, preparing them to face the challenges of the modern world.

Embracing the advancements of the 21st century, our school has also made significant strides in integrating technology into education with the

latest Smart classrooms, access to digital learning, well-equipped science and computer laboratories, a resource-rich library with a diverse collection of 30,000 books and ample study space, the Science, Social, Math, Computer and Literary Clubs help students to explore their passions and interests outside the classroom and school buses with GPS tracker and cameras for efficient transportation.

Beyond achievements in academics and activities, our school strongly believes in instilling values and social responsibility among students. Through various community service initiatives such as, visit to orphanages, underprivileged homes, old age homes, blind schools and blood donation camps. Students learn the importance of giving back to society. These efforts nurture empathy, compassion, and a sense of responsibility, shaping students into conscientious citizens.

The strength of our school lies not only in its infrastructure or achievements but also in its supportive and inclusive environment. Teachers, students, and parents work together as a unified community,

fostering mutual respect and collaboration. The school celebrates diversity and encourages every student to realize their full potential, regardless of their background.

As we reflect on our journey, it is evident that the achievements of our school are a result of dedication, perseverance, and a shared vision for excellence. Each award, each milestone, and each success story adds to the institution's pride and legacy. Yet, we remain committed to continuous improvement, always striving to reach new heights. Looking ahead, our school aims to further enhance its standards, embrace new opportunities, and continue shaping young minds with knowledge, values, and confidence. The journey so far has been inspiring, but the future promises even greater accomplishments. Indeed, our school stands as a true beacon of excellence—where dreams take flight, talents shine, and success becomes a tradition.

SISTERS OF ST. JOSEPH OF TARBES EDUCATION TRUST

Secretary – **Sr. Arogya Mary**

Sisters of St. Joseph of Tarbes Education Trust

“It is God who, having called us and consecrated us, sends us out on mission towards our brethren”. (SJT CONSTITUTION)

The sisters of St. Joseph of Tarbes Educational Trust has been rendering dedicated educational service with a special concern for the poor, the marginalized and the needy. Inspired by the charism and mission of the Sisters of St. Joseph of Tarbes, the institutions strive to impart quality education, moral values, discipline and holistic development to all students entrusted to their care.

The educational ministry of the sisters in Kolar Gold Fields began in 1904 at the request of then Parish priest of Champion Reefs. At present, the Trust administers three schools and one community college in KGF. Even after the closure of the mines in 2001, the sisters have continued their mission with dedication, serving the needs of the poorest families in the region.

Nearly 2000 students are presently studying in these institutions. Along with academic excellence, the schools focus on the all- round development of the students through various curricular and co- curricular activities. The institutions continue to provide quality education, discipline, moral formation and opportunities for the Upliftment of economically weaker sections of society.

St. Joseph convent school was established in 1933 with two wings- Kannada medium and English medium. Through the Kannada medium section, the institution has been catering especially to the educational needs of poor and underprivileged children by providing them with quality education and value formation.

Over the years, Whitefield has developed rapidly with the growth of industries, factories and technological advancement. With the increasing population and changing educational demands, the English medium section has expanded significantly and has recently been upgraded from the State Board to the ICSE curriculum. The school continues to uphold excellence in academics while fostering character formation, discipline and social responsibility among students.

St. Joseph's Convent School was started in 1962 and has steadily grown over the years. Today, the campus consists of three schools and one PU College, serving nearly 2500 students.

The institution also runs a boarding home for poor and needy children, especially those coming from villages and surrounding rural areas. The sisters are committed to providing excellent education and ensuring the holistic development of every child through curricular and co- curricular activities. Emphasis is given not only to academic achievement but also to moral values, leadership qualities, discipline and social awareness.

Through all these institutions the Sisters of St. Joseph of Tarbes Educational Trust continue their noble mission of educating young minds, empowering the underprivileged and building a society rooted in faith, knowledge, justice and compassion. Fr. Anjo Baby.

PRASADA TRUST

Secretary – **Fr. Anjo Baby**

Introduction

Name of the Trust: Prasada Trust

Prasada Trust is a dedicated organization committed to driving meaningful social impact and fostering community development. Established with a vision to uplift underprivileged sections of society, the trust focuses its efforts on core pillars such as education, healthcare, and sustainable livelihood programs. By implementing targeted initiatives and fostering collaborative partnerships, Prasada Trust works tirelessly to empower individuals, bridge socio-economic gaps, and create a more equitable and compassionate world for future generations.

♦ Year of Establishment

The Prasada Trust was officially established on October 23, 2007. Since its Founding in 2007, the trust has dedicated itself to its core mission and community initiatives, marking over a decade and a half of service.

♦ **Brief background of the Prasada Trust** The background information regarding the Prasada Trust, located near Udbur Gate along the Mysore-Mananthavady Road (H.D. Kote Road) in Mysuru, outlines its founding, core mission, and local contributions. Educational Integration: The campus grounds and the affiliated fathers have been instrumental in managing community-focused initiatives in the area, including playing a foundational role alongside neighbouring education boards, such as the local St. Joseph's Public School in Udbur, helping bring structured CBSE schooling to the rural community nearby.

♦ Institution under Prasada Trust

St. Joseph's Public School St. Joseph's Public School is established and managed by the Prasada Educational Trust of MCBS fathers. MCBS is a congregation of Catholic fathers from Kerala, working for the welfare of humanity after the model of Jesus Christ. They are working in almost all continents of the world for the emancipation of the oppressed and the underprivileged in educational, social, medical and spiritual needs of human society. The school has got minority status. The school is affiliated to Central Board of Secondary Education (CBSE), Delhi on 24th February 2021 with the No. 831125 and our School No. is 46758.

The school tries to bring out the best in every student through a sound academic, physical, intellectual, psychological, moral and social formation. The school is named as Saint Joseph, the father of Jesus who is a model of living for the staff and students, for he was a man of justice, firm faith and dedication. The school is open to all, irrespective of caste and creed. The school has a well-qualified faculty and well-advanced learning aids as well as infrastructure to give quality education to all students.

MOTTO "INFORMATION, FORMATION, TRANSFORMATION"

The motto of St. Joseph's Public School is "Information, Formation and Transformation" through Spiritual, Intellectual, Psycho cultural and Corporal growth programme.

The School aims at identifying and nurturing the innate potentials of every student through the curricular, co-curricular and extracurricular activities. Through these activities the process of "Information" takes place. When this information is assimilated "Formation" happens. Various inborn and acquired talents of students are developed and moral behaviour is inculcated through the continuous process of caring in intellectual, spiritual, psycho cultural and corporal realms. This formation automatically leads to "Transformation". Students become means of social change transforming the society into a better place to live in. The students are thus motivated to aim at excellence not only in academic pursuit, but also in all aspects of human endeavour and adorn themselves with the hallmarks of a holistic personality. Every student is transformed into a courageous, disciplined, noble person to face the challenges of the world with deep trust in God, lighting the candle of hope for millions in the world at large. With this goal in mind St Joseph's Public School has taken as its motto "Information, Formation and Transformation."

Vision and Mission Vision:

To be an agent of Transformation in creating society built on justice, love and harmony.

Mission: Emancipation of the oppressed and the underprivileged in educational, social, medical and spiritual needs of human society.

The Carmel Vidya Vardhak Sangh continued its mission of providing holistic and value-based education through its institutions: Sacred Heart D.Ed. College, Carmel Convent P.U. College, Carmel Convent High School, St. Anthony High School, Carmel Convent Higher Primary School, St. Anthony Higher Primary School, and Carmel Pre-Primary School. Guided by the vision of the Apostolic Carmel and inspired by the values of faith, compassion, integrity, and service, the institutions worked together to nurture academic excellence, character formation, and social responsibility.

During the year, three Governing Body meetings and the Annual General Body Meeting held on 16 August 2024 focused on educational planning, developmental projects, and the renovation of the Carmel High School ground.

Moral and Spiritual Formation

Spiritual and moral formation remained central across all institutions. Daily assemblies, meditation, scripture reflections, value education classes, and prayer services nurtured faith, discipline, and harmony among students and staff. Festivals such as Deepavali, Christmas, Ramzan, Makara Sankranti, and Eid were celebrated to promote interfaith understanding and unity.

Special programmes included seminars on Peace Education, Life Skills, Personality Development, and Constructivist Learning at Sacred Heart TTI, while schools and colleges organized retreats, value-based assemblies, and reflections on the life and charism of Mother Veronica. Students were encouraged to develop leadership qualities, self-awareness, and compassion through daily meditation, examination of conscience, and meaningful celebrations of important religious and national events.

Intellectual Enhancement and Academic Excellence - The institutions achieved remarkable academic and professional milestones during the year.

At Sacred Heart TTI:

- Sr. Dr. Clarice A.C., Principal, received the Rev. Ferdinand Kittel Foundation Award for outstanding contribution in education.
- An innovative Mathematics project by Mrs. Tanuja and D.El.Ed. Trainees received a National Award from NCERT.
- Workshops on English lesson planning, puppetry, theatre in education, and constructivist teaching methods enriched teacher training.
- D.Ed. trainees excelled academically, recording 100% results in the second year.

Carmel Convent P.U. College achieved excellent academic results:

- Science: 93.96%
- Commerce: 96.75%
- Overall: 95.78%

Carmel Convent High School secured a 97.5% pass percentage in the SSLC examinations, while St. Anthony's High School achieved 94%.

Across institutions, remedial classes, parent-teacher interactions, career guidance programmes, workshops, and co-curricular activities strengthened the learning process. Students participated in science exhibitions, quiz competitions, cyber safety awareness programmes, and skill development initiatives. Additional PCMB and CEBA sections were introduced in the P.U. College with increased student enrolment.

Social Outreach and Emotional Development - The institutions actively fostered compassion, emotional maturity, and social awareness. Students and staff participated in outreach visits to orphanages, homes for the blind, centres for the destitute, and institutions for persons with disabilities. Christmas outreach programmes, food festivals, and charity drives supported cancer patients, HIV/AIDS rehabilitation centres, leprosy and TB patients, and economically weaker families.

Significant outreach initiatives included:

- Funds raised for cancer patients by Carmel High School.
- Funds mobilized by Carmel Higher Primary students for leprosy and TB patients.
- Fee concessions and educational support extended to deserving students across institutions.
- Food kits, stationery, uniforms, books, and medical assistance provided to poor families and support staff.

Counselling services, orientation programmes, and parent engagement initiatives promoted emotional well-being among students and families. National and international days such as Human Rights Day, Constitution Day, Women's Day, and Peace Day were observed to build social consciousness and responsible citizenship.

Cultural, Sports, and Co-Curricular Achievements - A wide range of cultural, literary, and sports activities enriched student life. Institutions celebrated national festivals, Teachers' Day, Children's Day, Karnataka Rajyotsava, and important feast days with enthusiasm.

Students excelled in inter-school, district, state, and national competitions:

- Carmel High School volleyball teams won championships at Taluk and State levels and participated at the National Level in Chandigarh.
- Carmel Higher Primary School secured State-Level victories in throw ball and notable achievements in volleyball, basketball, swimming, karate, and Prathibha Karanji competitions.
- Students won prizes in cultural competitions including collage making, science skits, mono acting, dance, and literary events.

Sports days, exhibitions, talent competitions, and cultural programmes provided opportunities for students to develop confidence, teamwork, and creativity.

Environmental Awareness - Environmental stewardship remained an important focus throughout the year. Institutions promoted eco-consciousness through:

- Nature meditation and awareness on *Laudato Si'* principles.
- Waste segregation and recycling drives in collaboration with ITC WOW.
- Tree planting, cleanliness drives, kitchen gardens, and plastic-free campus initiatives.
- Observance of Environment Day, Ozone Day, Wildlife Conservation programmes, and awareness campaigns on sustainability.

Students were encouraged to care for nature through practical involvement and value-based environmental education.

Staff Development and Infrastructure - The Management organized a two-day AI workshop titled "*Fundamentals to Productivity*" for all teaching staff. Teachers attended seminars, workshops, and training programmes on inclusivity, reading skills, constitutional values, phonetics, and innovative teaching methods.

Several staff members pursued higher studies and participated in national seminars and educational consortiums. Staff outings and educational tours promoted team spirit and well-being.

Infrastructure improvements included:

- Installation of a lift at Carmel Convent P.U. College.
- Expansion of academic sections in the P.U. College.
- Continued development of institutional facilities and learning resources.

Conclusion

The academic year 2025–2026 was marked by growth, achievement, service, and collaboration. The dedicated efforts of management, staff, students, parents, and well-wishers enabled the institutions of Carmel Vidya Vardhak Sangh to continue their mission of holistic education rooted in Gospel values and social commitment.

With gratitude to God for His abundant blessings and guidance, the Society looks forward with renewed hope and commitment to continue shaping young minds and hearts into responsible, compassionate, and value-based citizens.

The Registered office of the Trust shall for the present be at Francis Nilaya, Manki, Honnavar Taluk, Uttar Kannada District, Karnataka 581 348,

The Objective of the Trust shall be to provide education, learning, training and facilities to students in all branches of Education by all means possible,

Institutions Under the Trust.

1. State Syllabus school: Assisi English Medium School.

Vision: Perseverance, integral and all round growth in an atmosphere of freedom, enabling students to achieve the maximum potential while equipping themselves to serve the society for peaceful and harmonious living.

Mission: *To provide a conducive atmosphere for the integral development of students

*To conduct programmes and activities that draw out the best in every student.

*To encourage, appreciate and inspire all students to strive for excellence.

*To instill love for God, people and creation, so as to help them live in peace and harmony with all.

*To prepare students to play an active and responsible role as global citizens.

Activity Report: Annual Report of Assisi English Medium School 2025-26

Assisi English Medium School has strength of 393 students. We have a teaching staff of 18 members and a non-teaching staff of 8 members, who all are diligent and dedicated to their service which is the key to the success and achievement.

“Team work divides the task and multiplies the success” One of the most Solemn Occasions of the school was the Investiture ceremony where we had the formation of the school cabinet. This was to enable our students to understand their rights, duties and responsibilities; and to empower and train them to become leaders. In this sacred ceremony the school prefects took an oath to abide by the rules and regulations of the institution and to inculcate the same in their fellow students. As per the oath that they took, they perform their duties very diligently and maintain discipline in the school.

“The will to win, the desire to succeed, the urge to reach your full potential. These are the keys that unlock the door to personal excellence.” It gives me a great sense of pride to share the commendable performance of our SSLC students in the board examination conducted by the Karnataka Secondary Education board 2025-26. Our students performed remarkably and brought a lot of praise and honor to the school. We achieved an overall result of 100%, with all 32 students passing the examination. Out of the 32 students who prepared for the examination, 14 students secured distinction, 16 students obtained a first class and 2 students secured a second class. Among 32 students seven students scored 100% in different subjects.

The names of the toppers are as follows-

1. Shreya Ganesh Shanbhag – 98.56%, school level 1 rank, Taluka level third rank and State level 10th rank.
2. Rakshali Kamalakar Naik -96.96 % School level 2 rank, Taluka level tenth rank.
3. Varun Rama Gouda - 94.88% School level 3 rank.

"The secret of your success is determined by your hard work and strong focus on your goal." To ensure consistent academic progress, periodical assessments and evaluations are conducted for students through Lesson based Assessment Tests, Formative Assessments (FAs) and Summative Assessments (SAs) and preparatory exams. The outcomes of these assessments are regularly communicated to parents, enabling them to support their children in improving their academic performance effectively.

"Co-curricular activities really help in developing each and every part of a child." Our school not only focuses on the intellectual development of the child but also gives them an equal opportunity to participate in various co-curricular activities. Apart from the competitions conducted within the school, our students participate in many interschool competitions. In Pratibha Karanji too our students have participated in various events and won many prizes.

Intelligence and skills can only function at the peak of their capacity when the body is Healthy and strong. This year, we proudly hosted the Manki Zonal Level High School Sports Meet for two days. Students from 12 schools enthusiastically participated, showcasing remarkable talent and sportsmanship. Amidst this vibrant gathering our students shone brilliantly, bringing laurels to the school through their outstanding performance in games and athletic events. Their achievements have filled us with immense pride and joy.

'Our obligation to our country endures throughout our lives'. One of most distinctive features of our school is the heartfelt celebration of National days and birth anniversaries of our national leaders, children's day, teachers' day, School feast and religious festivals. We also observe several significant occasions – such as World Environmental day, International Yoga day and national science day etc. with sincere dedication and active participation.

We have a house system in which students from Std 1 to 10th are grouped into four houses, Blue, Red yellow and Green. This system fosters the students to work as a team and participate in friendly competition.

"Learning should be a joy and full of excitement" To enrich this experience students were taken to educational excursions. The trip offered a wonderful blend of education and enjoyment, culminating in a delightful picnic that left them with cherished Memories.

ASIRVANAM BENEDICTINE

Secretary **Rev. Fr. Jerome Naduvathaniyal Osb**

1. Introduction

- Name of the Society: ASIRVANAM BENEDICTINE
- Year of Establishment: 1952
- Brief background of the Society: Asirvanam Benedictine Monastery belongs to the Benedictine Congregation of the Annunciation of the Order of Saint Benedict. Asirvanam, the very first monastery of the Benedictines in India, founded by St. Andrew's Abbey, Belgium, was canonically established by the Holy See in 1952. The community today has a strength of 50 members with 35 priests and others being in various stages of formation.

The monks are from different states of India and lead a life of unity in diversity, with English as community language. We also have daughter houses in the states of Karnataka, Tamil Nadu, Kerala, Andhra Pradesh and Odisha.

The life in the monastery is described by St. Benedict as “the School of the Lord's service.” Thus various activities of the community are organized so as to achieve this goal. Founded solidly on the motto of the Order, “Ora et Labora” that is, “Prayer and Work”, we have different activities like, the ministries of parish, retreat preaching, education, publication, counselling and guided retreat, Christian formation of the youth, farming and any and every activity that would help the people of God to achieve the dignity of the children of God.

The community encourages each member to develop his natural creative talents and use them for the good of the community and the people around us.

Christian Formation: The brothers run catechism, youth programs, and provide counselling services.

Manual Labor: Embracing their labor tradition, the monks actively manage the 100-acre property, maintaining farmlands and surrounding nature.

St Joseph's Society

Name of the Secretary: **Sr. Sobhana Alice N**

1. Introduction

It is run by the Canossian Daughters of Charity, Servants of the poor, founded by St. Magdalene of Canossa. She was born at Verona (Italy) on 1st March 1774, in a noble and wealthy family.

On 8th May, 1808, having overcome the last resistance from her family, she left the Canossa Palace to start what she discovered to be God's will - to serve Christ in the poor.

"The spirit of the Daughters of Charity is: to be detached from everything and from everybody, to be available to serve the Lord in every country."

Animated by her spirit, the Daughters of Charity, in 1860, set sail for the Far East to announce to all, through their service to the needy especially the poorest that God the FATHER, IN JESUS CHRIST, loves all mankind.

Today the Congregation is working all over the world to keep alive the ideals of St. Magdalene to make God known and loved and to share the precious heritage of her humility and heroic generosity through Education, Medical Service and Social assistance.

Congregation of Our Lady of the Missions

Name of the Secretary: **Sr. Ida Wilma Fernandes**

1. Introduction

- **Name of the Society:** Congregation of Our Lady of the Missions.
- **Year of Establishment:** 1974
- Brief background of the Society:

The Congregation of Our Lady of the Missions is an International Missionary Congregation founded by Euphrasie Barbier (Mother Mary of the Heart of Jesus) on 25 December 1861 in Lyons, France with a sole purpose of proclaiming the values of the Kingdom to all people of good will. Euphrasie Barbier was born to Louis Desir Barbier and Jeanne Adele Le Clere on 4 January 1829 in Caen, France. Fearing that the young baby would die, the parents christened her on the same day. But God had already planned and ordained this small child's exalted destiny. She loved God and so was her passion to become a missionary to foreign countries.

Today, after 159 years of service to the Church and Society, the Sisters continue to keep alive, Euphrasie's vision for the Congregation that is, to 'Extend the Kingdom of God'. At present the Sisters have reached out to 28 countries in the world, and work mainly among the poor, marginalized and the working-class people of the area where they are present through various activities such as Formal and Non-formal education, Health care, Social Action Programmes, Pastoral Care and others. After the example of the Foundress, the Sisters place themselves at God's disposal in order to be the instruments of the Kingdom Values of justice, peace and communal harmony.

In all forms of educational undertakings, we recognize the special importance of schools. Therefore, wherever desirable, we establish and maintain schools, respecting different cultures, ancestral traditions and artistic expressions of each nation and ethnic group.

3. Society Activity Report

The academic year 2025–2026 across Mariam Nivas School, Mariam Nilaya School CISCE, Mariam Nilaya High School, Nirmalalaya School and Mariam Niketan English Medium School was marked by academic excellence, holistic education, spiritual growth, leadership development, and active community participation. The year began with teachers' orientation programmes, workshops, and training sessions conducted by educational and spiritual leaders, emphasizing discipline, teamwork, innovative teaching methods, child safety, communication skills, professional ethics, and value-based education. Schools reopened with prayerful assemblies and orientation programmes that warmly welcomed students, parents, and staff while promoting themes centred on humility, values, responsibility, and dedication.

Throughout the year, the institutions organized a wide range of educational, cultural, scientific, spiritual, and co-curricular activities to nurture students' talents and overall development. Celebrations such as Independence Day, Republic Day, Teachers' Day, Children's Day, Christmas, Foundress' Day, Kannada Rajyotsava, Sankranti, and Environment Day were conducted with enthusiasm through cultural programmes, speeches, dances, competitions, and awareness campaigns. Leadership qualities and discipline were fostered through Investiture Ceremonies, Scouts and Guides activities, student councils, and motivational programmes.

Academic enrichment remained a major focus through regular assessments, remedial coaching, parent-teacher meetings, exhibitions, workshops, educational tours, and science programmes such as mobile planetarium shows, robotics exhibitions, and visits to scientific institutions. Awareness sessions on health, hygiene, road safety, emotional well-being, financial literacy, environmental protection, and social responsibility further enhanced students' learning experiences. Sports and co-curricular activities including karate, hockey, athletics, skating, taekwondo, chess, yoga, dance, art, and speech competitions encouraged teamwork, creativity, confidence, and sportsmanship.

The schools also demonstrated strong social commitment through charitable initiatives, community involvement, and support for students and families in need. Annual Day celebrations, Food Fest programmes, graduation ceremonies, and farewell events created memorable experiences for students and staff alike.

The institutions achieved remarkable success during the year, including Best School and Best Teacher Awards, championship victories in sports, excellent participation in state-level competitions, and outstanding academic performance with 100% SSLC and 100% ICSE results in all our schools. The year concluded with thanksgiving to God and heartfelt appreciation to the management, teachers, parents, and students whose dedication, cooperation, and hard work contributed to another successful and memorable academic year.

Society of St. Ursula of the Blessed Virgin Mary

Name of the Secretary: **Sr. Jyoti Almeida**

1. Introduction

- Name of the Society : Society of St. Ursula of the Blessed Virgin Mary
- Year of Establishment: 1606
- Brief background of the Society

Mother Anne de Xaintonge The Foundress of the Society Of St. Ursula of the Blessed Virgin Mary.

Venerable Anne de Xaintonge was born on 21 November 1567 in Dijon, France as the eldest child of Jean de Xaintonge, a politician, and his wife, Lady Marguerite Collard, both members of the nobility. Her father saw to it that she had a good education. Her upbringing was also very practical.

On 16 June 1606, Anne opened the first convent in Dole, France of what would later become the *Society of Saint Ursula of the Blessed Virgin*. The society spread rapidly in the east of France and in Switzerland. In addition to the original school, seven more were established by Mother Anne de Xaintonge during her lifetime. After her death, the Society spread far and wide. In 1953 a few Swiss Sisters came to India to continue the good work Mother Anne had begun.

Number of Institutions under the Society:

In the state of Karnataka, the Society runs a single institute, viz. St. Theresa Convent School. The school was established in Hidkal Dam in the year 2000. Our Foundress said **“We will not carry big torches, which will throw light far and wide; but we will carry little lamps which will throw some light on the path of women and girls.”** This is what we, the Sisters of the Society of St. Ursula, popularly known as Ursuline, are doing with our committed staff, working with selfless dedication to impart education to the children of the area.

The School is affiliated to the Central Board of Education, Chennai Branch. It is not a grant-in-aid school. The school has two divisions of classes from Nursery to Std 10. Every year the school is growing through the intercession of St. Theresa, its motto being **“LOVE, TRUTH and UNITY.”** The medium of instruction is English. It is a co-ed school.

2. Vision and Mission

St. Theresa School aims to be the Center of Excellence in Education using the art of creativity, innovation and technology, where the seeds of the all-round development of the children are sown at an early age. The school desires to create a dynamic environment to bring out the best in every student with learning focused on the complete development of a child. The mission of the school is to achieve the holistic development of students through an excellent academic and physical environment that is conducive to learning, developing creativity and exploration to create healthy, strong, disciplined, bold, and competent citizens who will work for the betterment of the nation. The total strength of the school from Nursery to Std 10 is 1029 with 584 boys and 445 girls for the academic year 2025 – 2026.

3. Society Activity Report:

At St. Theresa Convent School we believe in the holistic development of every child. Along with academic excellence, we place strong emphasis on co-curricular and extra-curricular activities to nurture creativity, confidence, leadership, and teamwork. During the academic year 2025-26, a wide range of activities were organized to ensure the all-round growth of our students.

1. Quiz Competitions: Inter-house and inter-class quizzes were conducted monthly to enhance general knowledge, reasoning skills and healthy competitive spirit.
2. Debates & Elocution: English and Hindi debates were held on contemporary topics to develop critical thinking, articulation and public speaking skills.
3. Poster Making & Art Competitions: Students expressed their creativity on themes like Environment, National Festivals and Social Awareness through posters, collages and paintings.
4. Speech Competitions: Students participated in speech events on occasions like Independence Day, Gandhi Jayanthi and Teacher's Day to build confidence and stage presence.

Cultural Activities

1. Dance & Music: Classical, folk and contemporary dance performances were organized during the Annual Day, festivals and special assemblies to promote cultural appreciation.
2. Fancy Dress Competition: Primary section students showcased their creativity and confidence by dressing up as national leaders, community helpers and characters from literature.

Sports & Physical Development

1. Annual Sports Meet: Track and field events, team games like football, kho - kho and basketball were conducted to inculcate sportsmanship and fitness.
2. Regular PT & Yoga: Daily morning assembly included yoga and exercises to ensure physical and mental well-being.

Assemblies & Subject Enrichment

1. Monthly Class Assemblies: Each class conducted themed assemblies with skits, news reading, thought of the day and presentations to develop leadership and teamwork.
2. Subject Workshops: Interactive workshops in Science, Mathematics, Social Studies and Languages were held to promote experiential learning beyond textbooks.
3. Orientation Programs: Sessions for teachers, students and parents were organized at the beginning of the session to familiarize them with school policies, curriculum and evaluation patterns.

These activities helped students to develop communication and presentation skills through debates, speeches and assemblies. It also helped them to enhance creativity and imagination via poster making, fancy dress and dance. Students were able to build physical stamina, discipline and team spirit through sports and gain subject clarity and practical knowledge through workshops. As a result they were able to grow in confidence, leadership and social responsibility.

The year 2025-26 was marked by active student participation and enthusiasm in all spheres, especially as the School celebrated the Silver Jubilee of its existence here. Such activities have played a vital role in shaping confident, creative and well-rounded individuals. We remain committed to providing more such opportunities in the coming session for the continued growth of our students.

Our tiny tots laughed, learned, explored, danced, and blossomed beautifully — preparing to soar into the future with bright hopes and shining dreams.

The Society of Sisters of St. Anne, Gulbarga

Name of the Secretary: **Sr. Jeyarani Vasantha**

INTRODUCTION

Established in 1970 by The Society of Sisters of St. Anne, Madras, St. Ambrose Convent School is a premier co-educational institution comes under the jurisdiction of Gulbarga Diocese. Driven by its foundational motto, '**Creating a Just Society**,' the institution was upgraded to a full-fledged High School in 1984. Karnataka State Board Curriculum (English Medium, Co-Ed) being the academic syllabus, the school operates from 9:00 AM to 3:30 PM, serving a robust student population of 2,076 children. Notably, 80% of these students hail from marginalized and underprivileged backgrounds, including Scheduled Castes (SC), Scheduled Tribes (ST), and Muslim minority communities. The campus thrives under the guidance of a dedicated 70-member team comprising 5 Religious Sisters, 50 educators, and 15 administrative and support staff.

GOVERNANCE AND COLLABORATIVE MANAGEMENT

Systematic, transparent, and values-driven governance forms the backbone of the institution's sustained success. Rather than operating in isolation, the leadership works in active communion with multiple stakeholders to maintain educational excellence.

- **Governing Body:** Meets biannually to evaluate school welfare, regulatory compliance, and strategic long-term planning.
- **Parent-Teacher Relations:** General meetings occur annually, supplemented by thrice-yearly 'Open Day' diagnostic meets. These class-wise interactions offer a holistic platform to address intellectual, physical, moral, and behavioural growth of their wards.
- **Faculty Council:** Monthly statutory meetings are conducted to align lesson plans, assess pedagogical challenges, and integrate parent feedback into curriculum delivery.

ACADEMIC LAURELS AND SCORES

Despite the lingering pedagogical gaps caused by post-pandemic learning disruptions, the faculty's rigorous remedial strategies yielded exceptional academic milestones. In the state-level Secondary School Leaving Certificate (SSLC) Board Examinations, St. Ambrose Convent High School achieved a remarkable 99.52% overall pass rate this year. This success is attributed to target evening coaching, frequent diagnostic tests, and dedicated psychological counselling for examinees. Highlighting this academic year, student Archana secured the institutional top rank with an exemplary score of 96.76%.

HOLISTIC STUDENT DEVELOPMENT

The school supplements classroom teaching with structured extra-curricular initiatives designed to foster leadership, civic duty, and personal confidence.

- **Daily Creative Assemblies:** Managed on a rotational basis to ensure maximum student participation, the morning assemblies prioritize character development and public speaking. The balanced curriculum spans spiritual invocations, news analysis, and GK, poetry, and scripture readings from the Bible, Quran, and Bhagavad-Gita to celebrate diverse student identities.
- **Investiture Ceremony:** The school hosts an annual student council induction to foster leadership skills and constitutional literacy. The Police Sub-Inspector, Wadi served as the Chief Guest, officially pinning

badges, conferring sashes, and administering the oath of civic responsibility to the student cabinet.

- **Young Students Movement (YSM):** Guided by the values of reflection and public action, the YSM student chapter leads essential community welfare and flood relief projects. Through structured fundraising campaigns, student volunteers personally delivered 250 winter blankets to underserved families, orphanages, and widows within regional disaster zones

CO-CURRICULAR TRIUMPHS AND TALENT SHOWCASES

To stimulate intellectual curiosity and artistic expression, every Saturday is dedicated to co-curricular competitions, ranging from elocution and classical dance to 'Best from Waste' design challenges.

- **Science & Mathematics Exhibition:** Students constructed intricate working models explaining advanced scientific concepts and sustainable technologies. Displaying high levels of verbal and analytical skill before parents and evaluators, Class X students Adithya and Mantesh went on to secure top laurels at the Taluk-level Science Exhibition.
- **Sports, Athletics, and National Awards:** Physical literacy remains a core institutional focus. Students actively participated and won accolades across Block, District, and State-level athletic meets. The year culminated in the grand Annual Sports Day on January 17, 2026, showcasing track events and colourful cultural drills. Furthermore, students excelled in the national-level *Inspiration Award Exams* in Kannada, Mathematics, and Science, securing medals and certificates across all administrative tiers.

SANITATION, HYGIENE, AND HEALTH CARE

The school runs an active health program in coordination with the Government Health Department of Wadi to ensure physical well-being.

- **Preventive Medicine:** Administered regular deworming tablets and Tetanus Toxoid (TT) immunizations on campus.
- **Early Childhood Health:** Conducted targeted Pulse Polio drop drives for nursery children under the age of five.
- **Adolescent Wellness Orientation:** Organized a specialized seminar on January 21, 2026, covering reproductive health, emotional guidance, and menstrual hygiene management to resolve anxieties for adolescent girls and boys.

ORIENTATION, TOURS, AND CAPACITY BUILDING

- **Professional Teacher Training:** Recognizing educators as primary Formators, the management organized on-going professional enablement programs. Training sessions focused on Artificial Intelligence integration, Classroom Management, National Education Policy (NEP) guidelines, and Child Protection frameworks to equip teachers for 21st-century educational shifts.
- **Parents' Orientation:** Special workshops were conducted for parents regarding challenges faced by contemporary youth. These sessions provided guidance on supportive home environments, NEP updates, and a 'Student-Friendly & Copy-Free' exam campaign designed to ease anxiety surrounding SSLC Board Exam changes.
- **Student Mentorship & Counselling:** Periodic target sessions for adolescents addressed critical life areas, including moral behaviour, character building, personality development, leadership skills, and the rising challenges of drug and digital gadget addiction.
- **Educational Tour:** To blend learning with leisure, a one-day educational excursion was organized for 90 Class X students. Accompanied by 10 staff members, the cohort travelled via two hired government buses to visit Jal Vihar in Begumpet, Hyderabad.

MISSION-ORIENTED CHARITY AND SPECIAL EDUCATION

The institutional commitment to uplift the poor is driven by direct, targeted welfare interventions:

- **Remedial Care:** Free evening tuitions conducted from 4:00 PM to 5:00 PM by the Religious Sisters to integrate slow learners into the academic mainstream.
- **Community Connection:** Teachers regularly conduct pastoral home visits to understand student living conditions.
- **Financial Subsidies:** Offered extensive fee concessions to underprivileged students, including full academic sponsorships and specialized financial support for abandoned children in the name of our congregation's Foundress Mother Gnanamma.
- **Festive Philanthropy:** During Christmas, student wings under the YSM and MCA raised funds to bring material relief to village communities.
- **Disaster Relief Exposure:** High school students personally visited a flood-affected village to distribute 250 blankets to vulnerable households by raising funds.

CULTURAL CELEBRATIONS AND NATIONAL ETHOS

To foster constitutional literacy and historical appreciation, the school observed an expansive calendar of cultural and national milestones throughout the academic year. The institution marked International Women's Day and National Girl Child Day to advocate for women's empowerment and ending gender-based violence, alongside National Education Day to honour the legacy of modern schooling. The deep mutual bond and dedication between students and faculty were celebrated during Teachers' and Children's Days. Environmental and regional pride took centre stage during observations of Ozone Day, Kalyana Karnataka Day, and Kannada Rajyotsava. Furthermore, the school cultivated critical civic awareness by observing National Legal Services Day, Constitution Day, World AIDS Day, Human Rights Day, and National Science Day. Collectively, these campaigns successfully instilled deep patriotic devotion and a strong sense of social responsibility in the children, inspiring them to become passionate, proactive citizens.

RECOGNITION AND MERIT AWARDS

To incentivize consistent performance and maximize student participation, the school maintains a dynamic weekly talent track alongside its formal institutional honours. Every Saturday, students engage in competitive events such as Elocution, Storytelling, architect models, Rangoli, Memory Tests, Quizzes, best from waste, etc., with winners receiving trophies and certificates to validate their creative efforts. In addition to these creative showcases, the institution honours exemplary merit through special annual awards that celebrate 100% student attendance and top academic milestones. By blending weekly talent discovery with formal recognition, this structured program successfully keeps students motivated, regular in their attendance, and deeply engaged in their own personal growth.

PHYSICAL INFRASTRUCTURE UPGRADES

To support this year's expansion, the institution completed key infrastructure developments:

- **Digital Classroom Readiness:** Equipped higher classes with multimedia tools and smart monitors to improve visual learning.
- **Sanitation Facilities:** Overhauled and expanded student washroom blocks to match the highest hygiene and safety standards.
- **Resource Expansion:** Added new reference volumes to the school library and upgraded lab kits for practical chemistry and physics sessions.

12. CONCLUSION

The academic year 2025–2026 underscores St. Ambrose Convent School's commitment to inclusive, high-quality education. By balancing academic rigor with deep social conscience, the institution continues to uplift rural youth, transforming them into enlightened, capable citizens ready to build a just society.

3. Society Activity Report; Academic Year Report 2026–2027

During the Academic Year 2026–2027, Holy Family School successfully conducted various academic and co-curricular activities, ensuring the holistic development of our students. The academic year commenced in June with a grand Welcome Day celebration, where students were warmly received into the new school year. Following the school calendar, regular academic activities were carried out systematically. Unit Tests and Semester Examinations were conducted for students from LKG to Grade 10 as per the academic schedule. A significant milestone of this academic year was the outstanding performance of our Grade 10 students in the ICSE Board Examinations. The school achieved a remarkable **100% pass result**, with students securing excellent marks and bringing great pride to the institution. Alongside academics, the school organized

several major events that enriched the learning experience of students. The **Annual Day** and **Sports Day** were celebrated with great enthusiasm and active participation from students, teachers, and parents. These events provided students with opportunities to showcase their talents, creativity, leadership skills, and sportsmanship.

Various **co-curricular activities** were conducted throughout the year during the scheduled school hours. These activities helped students develop confidence, teamwork, communication skills, and overall personality development. In November, the school celebrated the **Founder's Day** of the institution with great reverence and joy. Students and teachers actively participated in the celebrations, paying tribute to the vision and values of the founders. As part of experiential learning and curriculum enrichment, students were taken on educational visits and exhibitions. These programs provided valuable exposure beyond the classroom and enhanced their practical understanding of various subjects.

The academic year concluded with the **Graduation Day Ceremony** held in March. The event was a memorable occasion where graduating students were honoured and encouraged to move forward confidently toward the next stage of their educational journey. Overall, the Academic Year 2026–2027 was a year of academic excellence, vibrant celebrations, meaningful learning experiences, and holistic growth for all students of Holy Family School. We express our sincere gratitude to the management, staff, parents, and well-wishers for their continuous support and cooperation in making the year successful.

St. Thomas Education Society®

Name of the Secretary: **Fr. Bibin Baby CMI**

Introduction

- Name of the Society : **St. Thomas Education Society®, Mysuru**
- Year of Establishment : **1969**
- Brief background of the Society

St. Thomas Education Society is registered under the Karnataka Society Registration Act of 1960, with its registered office located in the State of Karnataka, and its present address at Carmel Bhavan, Mysore.

Recognizing that Education is the key to nurturing responsible citizens and fostering a harmonious society, our mission is to provide education, promote literacy, instil moral values, and offer technical and scientific knowledge primarily to children and others, regardless of their race, caste, creed, community, religion, or social status. Our goal is to equip them to become productive and responsible members of society.

With this vision in mind, we have established educational institutions in several districts of Karnataka, including Mysore, Coorg, Hassan, and Dakshina Kannada. Our particular focus has been on underserved rural areas, such as Mundaje in Dakshina Kannada, Arkalgudu in Hassan, and Shanivarasanthe in Coorg, where economic challenges are prevalent. This education is made possible through our network of 16 schools and 2 colleges. We follow the principle that economically prosperous institutions support those that are economically disadvantaged. These institutions serve as beacons of hope, extending educational opportunities to students from diverse backgrounds and economic circumstances, enabling them to access quality education and work towards a brighter future.

Society Activity Report

Orientation for Staff

A half-day orientation program was conducted for the teaching staff of STES in online mode. Both the President and the Secretary of STES took a keen interest in organizing the orientation program for the staff to empower them to play a special role in the formation of each and every student entrusted to their care.

Social Orientation Programs

We also operate special schools to address the needs of differently-abled children who are an integral part of our society. These schools are staffed with specially trained employees dedicated to their care and development. One such institution is the Christ Health and Wellness Academy in Jettihundi, Mysore, focused on catering to the needs of differently-abled children from financially struggling families. We conducted various programs for these students throughout the year.

Colligo

STES takes pride in nurturing a dedicated team of 900 employees, including both teaching and non-teaching staff. We are delighted to see our employees working harmoniously under one common umbrella, transcending differences in caste, creed, and religion. We value and celebrate this diversity as it contributes to the vibrant and inclusive culture of our nation.

Chavara Cup

The Chavara Cup 2025 was held on Saturday, 15 November 2025 at Christ ICSE School, Hunsur, beginning at 9.00 a.m. The event was organized with great enthusiasm and witnessed active participation from students, teachers, and guests. The program commenced with a prayer and welcome address. Various sports and games were conducted throughout the day, promoting teamwork, sportsmanship, and healthy competition among the participants. Students from different schools enthusiastically participated in the competitions and displayed remarkable talent and discipline.

2. Vision and Mission

Vision:

To impart Holistic Formation to the younger generation through a morally, socially, ecologically and intellectually sound education.

Mission:

Our mission is to enhance the ethical, social, spiritual and intellectual development of the younger generation of the locality.

FMM Educational and pastoral Ministry in Bangalore

The Franciscan Missionaries of Mary (FMM) began our mission in Karnataka in 1966. Over the years, Our Lady of Providence Convent developed rapidly and became an important centre of formation as well as the Provincial House.

The Franciscan Institute Primary School was originally started by OFM Fathers on the Friary campus. Later, in 1967, the school was handed over to the FMM Sisters. Due to practical difficulties, it was subsequently shifted to the Providence Convent campus.

Today, the institution has grown into a full-fledged educational centre, offering classes from Primary to 10th Standard in both Kannada and English medium. The school mainly serves children from economically disadvantaged families, many of whom have migrated to the city in search of livelihood. Despite their hardships, the students show keen interest in academics and remarkable determination to pursue their education.

With a special concern for poor and needy students, the institution extends support through various projects by providing uniforms, books, stationery, tuition fees, and other educational assistance. Nearly 250 Kannada medium students benefit from these initiatives every year. The Sisters and teachers also visit nearby slum areas to ensure that children attend school regularly and continue their education without interruption.

Along with academic growth, the school gives great importance to the holistic development of students. In today's world, where many young people are vulnerable to mobile addiction and substance abuse, the institution regularly conducts peer-group monitoring sessions, emotional well-being workshops, adolescent awareness programs, and value-based training. These efforts have brought visible improvement in the behaviour, confidence, and academic performance of the students.

Besides the educational ministry, the Sisters are actively involved in pastoral activities within the parish community. They participate in Small Christian Community (SCC) gatherings, prayer meetings, and Sunday Rosary services. The convent also welcomes Catholic Nepali groups who gather on the campus once a month for Holy Mass. During special liturgical seasons such as Christmas and Easter, reconciliation services are organised to help the faithful prepare spiritually.

Through our dedicated educational, social, and pastoral ministries, the Franciscan Missionaries of Mary continue to spread compassion, faith, and hope among the people.

- Activities promoting sustainable living and conservation of natural resources.

7. Value Education and Character Formation

The Society continued to emphasize character formation through:

- Moral and value education programmes.
- Spiritual and motivational sessions.
- Community service initiatives involving students and youth.
- Programmes fostering social responsibility and citizenship.

Challenges and Future Directions

While significant progress was achieved during the year, challenges such as economic disparities, educational inequalities, healthcare accessibility, and environmental concerns remain. SNCS remains committed to strengthening its programmes and expanding its outreach to serve more beneficiaries in the coming years.

Acknowledgements

The Society expresses its sincere gratitude to all benefactors, well-wishers, volunteers, staff members, parents, students, and MCBS Fathers whose generous support and dedicated service made the activities of 2025–26 successful.

Together, we continue our mission of building a society rooted in compassion, justice, and human dignity.

Conclusion

The year 2025–26 was marked by meaningful service and community engagement. Through education, healthcare, social welfare, women empowerment, and environmental initiatives, Shanthi Nikethan Charitable Society continued to touch lives and bring positive transformation to society. With renewed commitment, the Society looks forward to serving the community with greater dedication in the years ahead.

THE KARNATAKA JESUIT PROVINCE SOCIETIES

Name of the Secretary: **Fr. Sunil Fernandes, SJ**

The Karnataka Jesuit Province carries forward the educational mission of the Society of Jesus through its various registered educational and charitable societies spread across the state of Karnataka. These societies have been established at different times to respond to the educational needs of diverse regions and communities while remaining united in the Jesuit vision of forming compassionate, committed, competent, creative, and confident citizens.

The seven societies functioning under the Karnataka Jesuit Province are:

- 01) Karnataka Jesuit Educational Society (KJES) - 1956
- 02) Anekal Jesuit Educational & Charitable Society (AJECS) - 1976
- 03) Bangalore Jesuit Educational Society (BJES) - 1973
- 04) Bijapur Jesuit Educational & Charitable Society (BJECS) - 2006
- 05) Hassan Jesuit Educational Society (HJES) - 1974
- 06) Mangalore Jesuit Educational Society (MJES) - 1973
- 07) North Karnataka Jesuit Educational & Charitable Society (NKJECS) - 1992

Through these societies, the Karnataka Jesuit Province manages and supports a wide network of educational institutions ranging from schools and pre-university colleges to institutions of higher education, technical training centres, and social outreach programmes. Inspired by the Jesuit tradition of excellence in education, these institutions strive to provide quality, holistic, and value-based education that promotes intellectual growth, character formation, social responsibility, and leadership.

A distinctive feature of the educational ministry of these societies is their commitment to the education and empowerment of the marginalized and underprivileged sections of society. In keeping with the Jesuit preference for serving those at the margins, special attention is given to students from economically weaker backgrounds, rural communities, Scheduled Castes, Scheduled Tribes, minorities, migrant families, and other vulnerable groups. Various initiatives such as scholarships, fee concessions, remedial coaching, hostels, mentorship programmes, and community outreach activities ensure that educational opportunities reach those who are often excluded from mainstream development.

The institutions under these societies foster an environment that nurtures academic excellence alongside human values such as integrity, justice, compassion, inclusiveness, respect for diversity, and care for creation. Through curricular and co-curricular activities, students are encouraged to become socially conscious individuals who contribute positively to society and work towards building a more just and equitable world.

Over the decades, the seven Jesuit societies have made significant contributions to the educational landscape of Karnataka. Their collective efforts continue to transform lives by providing accessible, affordable, and quality education rooted in Jesuit values. By combining academic excellence with a preferential option for the poor and marginalized, these societies remain faithful to the Jesuit mission of forming men and women for and with others, committed to the service of faith and the promotion of justice.

The Karnataka Jesuit Province remains grateful for the dedication of its Jesuit members, collaborators, teachers, staff, alumni, benefactors, and well-wishers who contribute to the success of this educational mission. Together, these societies continue to shape generations of young people who are equipped with knowledge, values, and a commitment to social transformation.

Report	Images
The issues, concerns, and challenges faced by the school are shared by the Sister-in-charge with the members of the community on a daily basis and whenever necessary. The various challenges faced by our institutions from various levels are discussed in the community and together we find a solution to go ahead. Practically all the Principals/H.M do the same.	
Sisters play a vital role in campus ministry bringing dedication and compassion to their work. They provide spiritual guidance and support, organize community events and activities. They offer counselling and mentorship and foster inclusivity and diversity. The involvement of sisters enriches the campus community, promoting values and service and provide a unique perspective on faith and spirituality. The presence of sisters on campus can be a powerful influence shaping the student values and world-view	
We introduced Artificial Intelligence and Robotic classes for Grades six to nine in collaboration with Infinity IQ Manyata Tech Park. This provided the students an opportunity to explore the fascinating world of AI, machine learning, coding and electronics, robotics and real -world applications with the support and involvement of the students, a funfair (stalls and games) was organized to raise funds to support poor families. Our school organized a fund-raising activity to support a student who was facing serious health issues and required financial assistance for medical treatment.	

KAPPUCCHIN SOCIAL & DEVELOPMENT ACTION SOCIETY

Name of the Secretary: **Fr. Jibin Mooleparambil**

St. Francis English Medium School and PU College continues to blossom in the garden of quality education under the able leadership of Rev. Fr. Jibin Bobby, the Administrator, Rev. Sr. Pavithra FCC, the Principal and Headmistress, along with the dedicated Executive Committee Members.

This year marks an important milestone in the history of our institution. Rev. Sr. Chaithanya FCC, after rendering eight years of selfless and dedicated service, has been transferred to Belthangady as Regional Treasurer and Councillor. We sincerely thank her for her valuable contributions to the growth of our institution.

The responsibility of leading the school and college has now been entrusted to Rev. Sr. Pavithra FCC, whose efficient leadership and vision continue to guide the institution toward greater excellence.

Student Leadership

To uphold the spirit of leadership and responsibility among students, dynamic leaders were elected for the academic year.

Master Renith Thomas – College Pupil Leader

Master Aron Alex – School Pupil Leader

They are supported by an energetic team of cabinet members.

Teaching Staff and Students

As Malala Yousafzai rightly said: “One teacher, one child, one book, and one pen can change the world.”

Inspired by these words, the committed staff members of St. Francis continue to mould the lives of around 630 students with dedication and care.

Academic Excellence

The SFS family proudly recognizes the remarkable achievements of our SSLC and PUC students during the academic year 2025–2026.

We are proud to announce that our institution achieved 100% results in both SSLC and PUC examinations. All the students secured First Class and Distinction marks, bringing great honour to the institution.

This outstanding achievement reflects the hard work, dedication, and perseverance of our students, along with the sincere efforts of our teachers and the constant support of parents.

Congratulations to all our achievers for continuing the glorious tradition of excellence year after year.

PTA Activities

The PTA General Body Meeting was held in the year 2024, and Mr. Johnson Galbao was elected as the President of the Parents Teachers Association.

We sincerely appreciate the wholehearted support and cooperation extended by the PTA members toward the smooth functioning and development of the institution.

Sports Achievements

We are proud to highlight the achievements of our students in sports and athletics.

Aljo Ajeesh won several prizes at the Taluk Level Athletics Meet 2025–26 and secured the Individual Championship title.

Arday, Chaithra, Punya, Mokshitha, and Deepthi also won several medals in athletics. Our relay team secured first place at the Taluk level.

The Under-14 Boys' Team emerged as champions in the Taluk Level Athletics Meet.

College students Sanusha and Claret also bagged numerous prizes at the Taluk level.

Cultural Achievements

It is a matter of pride that 13 students participated in Taluk Level Prathibha Karanji competitions.

Manasvi of Class 4 secured Third Place in the Patriotic Song Competition.

Chiranthana of Class 8 won First Prize in Bharatanatyam and was selected for the District Level competition.

Co-Curricular Activities

To ensure the holistic development of students, the school organized various cultural, literary, and national festival celebrations throughout the year.

Students were provided ample opportunities to explore and express their talents through co-curricular activities and competitions conducted both within and outside the school campus.

Examinations and Evaluation

The school conducts regular assessments such as FA1, FA2, and Mid-Term Examinations to evaluate the academic progress of students.

To encourage critical thinking and creativity, question papers prepared by MCH Mangalore were introduced for the first time this year.

Support from PTA

The smooth functioning of the school is greatly strengthened by the active support and cooperation of the PTA members. We remain deeply grateful for their continuous encouragement and service.

Future Proposals

To enhance students' communication skills and foster creative thinking, we plan to introduce:

“Fran's Radio Station”

An engaging platform that encourages expression, confidence, communication skills, and innovation among students.

Carmelites of Mary Immaculate Society (CMI)

A Shared Vision • A Collective Journey

Introduction

The Christ Group of Schools, Bengaluru, is a distinguished educational network under the management of the Carmelites of Mary Immaculate (CMI), committed to providing holistic, value-based, and transformative education. Inspired by the CMI educational philosophy, the Group seeks to nurture intellectual excellence, moral integrity, social responsibility, and leadership among students. Over the years, it has evolved into a vibrant educational community where academic achievement is harmoniously integrated with character formation and human development.

Founded with the establishment of Christha Vidyalaya in 1983 and Christ School in 1984, the Group has grown steadily in response to the educational needs of society. Today, it comprises eight institutions, offering diverse educational pathways through the Karnataka State Board, ICSE, ISC, CBSE, Kindergarten, Pre-KG, and Special Education streams.

The Christ Group currently serves nearly 9,000 students and is supported by a committed team of around 700 teaching and non-teaching staff members. The institutions function with administrative autonomy while remaining united by a shared vision, common values, and collective responsibility. Regular collaboration among Principals and Directors ensures consistency in academic standards, leadership practices, and institutional development.

The Group includes:

- Christha Vidyalaya (Kannada Medium)
- Christ School (State Board)
- Christ School CISCE, Bengaluru
- Christ School CBSE
- Christ School CISCE, Kengeri Campus
- Christ Special School
- Christ Kindergarten
- Pre-KG Section, Christ School

A defining feature of the Christ Group is its commitment to equity, inclusion, and social responsibility. Significant financial assistance is extended annually through scholarships and fee concessions to ensure that quality education remains accessible to deserving students. Particular emphasis is placed on strengthening Christha Vidyalaya and Christ Special School through infrastructural development, academic enrichment, therapeutic support, and student welfare initiatives. The institutions promote academic excellence, student well-being, leadership formation, international exposure programmes, faculty development, parent partnerships, and community engagement. The Group also invests substantially in continuous professional development for both teaching and non-teaching staff to ensure quality and innovation in educational practices.

Conclusion: Guided by faith, strengthened by unity, and inspired by service, the Christ Group of Schools continues to shape young minds and hearts for a better future. With a steadfast commitment to excellence and inclusivity, the Group remains dedicated to forming responsible citizens and compassionate leaders who will contribute meaningfully to society and the nation.

3. Society Activity Report

Report of the Activities Held in the Three Years of the School

St. Rossello Central School, Mysuru, was established in 2009 and has consistently focused on the all-round development of its students. The school excels in numbers, quality, creativity, and service to society.

During the past three years, the school has organized and successfully conducted a variety of academic, cultural, and co-curricular activities that contributed to students' holistic growth. These activities included scholastic competitions, creative arts programs, sports events, community service initiatives, and value-based learning programs. Each event was designed to enhance students' skills, broaden their perspectives, and encourage them to contribute meaningfully to society.

Academic Achievements

The school has always stood as a beacon of hope and promise to society by providing excellence in education. The curriculum adopted by the school is aligned with the CBSE board, ensuring that students receive a strong and

comprehensive academic foundation. Smart education is integrated into the teaching–learning process through technology-equipped classrooms, each facilitated with a panel board that makes learning easy, engaging, and effective.

The school's focus on academic efficiency is clearly reflected in its remarkable performance. St. Rossello Central School has proudly achieved a 100% pass result in Class 10 for ten consecutive years, demonstrating consistent dedication to quality education and student success.

Ursuline Sisters of Somasca

Secretary – **Sr. Alphonsa SU**

Jyothi Nilaya our present abode which was a tiny and remote village in Mysore. It was here the need of education was felt because the children without attending school were roaming in the streets and grazing the sheep. The women were bound within the 4 walls. Sr. Umber Tina along with the Novices visited the villages several times a week to meet individually and in groups. They used to return home with a heavy heart seeing the pathetic condition of living.

The people from surrounding villages themselves expressed their desire to have the school started by sisters. The women flock could not go out for anything due to the children who had no access to the school in the surroundings. Taking into consideration the request made by the people; We initiated the Nursery school in 1991 with 21 children, without even a proper structure, but placing our complete trust in the Almighty. In 1992 we constructed a new building for the nursery school. On 5th May 1997 foundation for the Primary School was laid by Rev. Fr. G Joseph. In 1998 with the commencement of the new scholastic year continued the classes in the new building. This was the dawn for the VIDYA JYOTHI SCHOOL.

Today there are many schools around us that give knowledgeable education and welcome those who are financially sound. We began this school having the poor and the marginalized in our heart. Even though we surrounded by many schools we are not lacking the number of the students. Because we are for the poor; as Jesus says, "the poor are always with you" the poor always knock at our door.

The heart of Vidya Jyothi is open to all irrespective of caste, creed and religion. In our school there are Muslims, Christians and majority of them Hindus. In order to encourage a climate of dialogue and tranquillity, inter religious prayer services are arranged in which parents and students are invited to participate. They too actively take part in it, may be reading some messages from Quran, Bhagavath Geetha and Bible and so on. Vidya Jyothi provides indispensable elements for developing an intercultural vision among the students. It is set out in using the pedagogical activities that foster to overcome racial individualism. We do this in forming the youth and students in the values of solidarity rather than competition, of participation rather than isolation and indifference.

Such a vision is fostered 'quality' Education.

Which now caters to about 900 children and today excels not only in academic studies but also in bringing out our educative charism. Today it has developed into primary and high school both English and Kannada medium. It is an eye capturing school in cultural activities, champion ship in sports, and in academic studies. We are also proud of Vidya Jyothi School securing 100% results in 10th standard for 14 consecutive years. Above all it strives to help the children to have integral education by bringing about their potentials and hidden talents, so they become responsible, useful persons to themselves, then families and to the society.

This year that is 2024-25 we inaugurated Vidya Jyothi Pre- University College. Some of the activities that is conducted this academic year 2024-25.

Society of Satyaseva Catechist Sisters

Secretary – **Sr. Assuntha**

1. Introduction

Name of the Society : **Society of Satyaseva Catechist Sisters**

Year of Establishment : **1990**

Background of the Society: Satyaseva Primary and High School was established in the year 1990 in the remote village of Venkateshpuram with a noble mission to serve the underprivileged and less fortunate communities living in this economically backward area. The vision behind the establishment of the school was to provide quality education to children from poor families, empowering them to break the cycle of poverty and build a brighter future for themselves and society.

At a time when the region was marked by limited resources and lack of educational opportunities, Mother Regina Woroniecka, our revered Foundress, a great missionary and visionary leader, recognized the urgent need for accessible and value-based education. With deep compassion and dedication towards the Upliftment of the poor, she founded Satyaseva Primary and High School as a beacon of hope and transformation.

Since its inception, the school has been committed to creating a safe, nurturing, and inclusive environment where every child is encouraged to discover their talents and develop holistically. Along with academic excellence, the institution focuses on the spiritual, moral, emotional, and social growth of each student.

Guided by the dedicated management and committed staff, the school continues to grow from strength to strength, achieving remarkable success in both curricular and co-curricular activities. Over the years, Satyaseva Primary and High School has earned recognition for shaping responsible citizens and inspiring young minds to dream beyond limitations.

High Schools	2
Higher Primary	2
Nursery Schools	2

2. Vision and Mission

Vision: To bring the light of the knowledge to the children who were deprived of their right to Education

Mission: To reach out to the families through the field of education.

3. Activity Report: The School provides holistic and value-based education for children from poor and marginalized communities, focusing on their academic, moral, spiritual, cultural, and physical development. Along with regular classroom teaching, special tuition classes and remedial coaching are conducted for slow learners and low-capacity children to help them improve their learning abilities and gain confidence in their studies.

Various co-curricular activities such as drawing, singing, dance, drama, sports, competitions, and cultural programmes are regularly organized for the overall development of the students and to encourage their talents and creativity. Value education, moral instruction, prayer services, and celebrations of national and religious festivals are also conducted to instill discipline, unity, responsibility, and respect for all.

The school also organizes parent-teacher meetings, counselling sessions, and outreach programmes to strengthen the relationship between the school and families. Through these activities, the institution strives to create a joyful learning environment that promotes academic excellence, moral values, and the holistic development of every child. Special emphasis is given to spoken English, communication skills, personality development, cleanliness, hygiene, and environmental awareness.

Daughters of Presentation of the Mary in the Temple

Secretary – **Sr. Jeess Joseph**

1. Introduction

- Name of the Society : **Daughters of Presentation of the Mary in the Temple**
- Year of Establishment **1874**
- Brief background of the Society:
 - Como, a small town in northern Italy, is the birthplace of our Congregation. In the early nineteenth century, two young friends, Francesca Butti (1812–1874) and Maria Rossi (1812–1874), grew up in the suburb of St. Vitale. Guided by their spiritual director, Rev. Fr. Giuseppe Cavadini, they dedicated their lives to God and to the education and care of orphaned and abandoned girls.
 - On Easter Sunday, 7 April 1833, they began their life of community, responding to the needs of young girls affected by poverty, exploitation, and social unrest. Living in a rented house in St. Vitale, they supported themselves through silk-making and embroidery while providing both spiritual and material assistance.
 - On 3 May 1858, during the blessing of their first chapel, they placed a painting of the Presentation of Mary as the altarpiece. Inspired by Mary's total consecration to God, the institute was named **The Daughters of the Presentation of Mary in the Temple (DPMT)**, reflecting its identity and spirituality.
 - The Founders devoted themselves to educating young girls by teaching reading, writing, practical skills, and catechism, while placing special emphasis on the formation of the heart and Christian values.
 - Number of Institutions under the Society:
 - Pre University Colleges (PUC) **3**
 - CBSE Board Schools – (CBSE 12th , High Schools, Hr. Pry & Nursery Schools) **6**
 - State Syllabus Schools – (High Schools, Hr. Pry & Nursery Schools) **5**
 - Hostels : **4**

2. Vision and Mission - Vision: Our Founders, Maria Rossi and Francesca Butti, believed that education is the path to personal growth and salvation. They saw education as a vocation, dedicating themselves to guiding others toward God. Following their mission, the Presentation Sisters nurture each child with love, patience, and compassion, respecting their uniqueness while helping them grow in faith, realize their potential, and achieve their dreams.

Mission: Faithful to the spirit of Accipe treasured by our Founders Francesca Butti and Maria Rossi, we participate in the maternal concern of the Holy Church in her educational mission of life giving humanizing and liberating process of education, in building the kingdom of God on earth pursuing a unique educational pedagogy of formation of heart' particularly for the young women, children and the marginalized enabling them to promote life as a gift and vocation and make free and responsible choices which affect their personal lives, communities and society.

3. Society Activity Report

SOCIAL MINISTRY - Inspired by the Lord, we serve the poor and uphold the dignity of all, especially children, youth, women, the elderly, and marginalized communities. Across Karnataka, Gujarat, Maharashtra, Assam, and Meghalaya, we promote social development through women's empowerment, SHGs, education, counseling, child sponsorship, skill training, elderly care, palliative care, and rural health initiatives. In collaboration with dioceses and social organizations, we continue the compassionate mission of Jesus by fostering hope, justice, and social transformation.

HEALTH MINISTRY - The DPMT Sisters are committed to providing healthcare services to the poor and socially marginalized, promoting respect for human life and dignity in the light of the Gospel. We collaborate with the Church in carrying out our healthcare ministry wherever possible.

In 1978, we established Archana Hospital, Perumpunna, to serve the healthcare needs of rural communities. Over the years, the hospital has expanded from its renowned ophthalmology services to include pediatrics, general medicine, gynecology, and 24-hour Resident Medical Officer (RMO) services. Across India, our Sisters also serve in hospitals, clinics, schools, rural medical camps, and palliative care programs. We actively participate in the pastoral mission of the local Church, witnessing to the Gospel through faith and service. Guided by our Presentation Charism and the vision of our Founders, we give special attention to catechesis, youth and vocational ministry, faith formation, and caring for those in difficult situations, serving with dedication, joy, and compassion.

Many of our communities are engaged in pastoral ministry; In this process of faith formation, they engage in;

1. Teaching catechism
2. Animating various pious associations of the parish
3. Conducting various programmes for the children, youth and women in the parish leading ward prayer meetings.
4. Organizing exposure programmes, competitions and charitable activities with the pious associations in the parish
5. Taking up home mission in different parishes
6. Conducting intercessory prayers
