

ST PHILOMENA EDUCATION INSTITUTION

St Philomena Education Institution creates an atmosphere, that gives our students, staff, and the collaborators a deep spiritual experience that enables them to be integrated persons. With this vision we provide a structured environment where girls are guided by qualified faculty members to gain academic knowledge and play a vital role in shaping the individual's personality, values and future career.

Hereby we brief with the academic report of 2025-26.

Student's statistics:

The school accommodates 2537 students from Nursery to Degree providing them with a structured and supportive learning environment.

Management and the Staff:

The backbone of our Institution to uphold safety and discipline Sr Jacintha D'Souza -Joint Secretary ensures wholehearted support and guidance. With her far-sighted vision have been instrumental in safeguarding the smooth functioning of the institution promoting academic excellence and encouraging the holistic development of every staff and the student.

The Heads of the Institution are as follows

Sr Hilda Rodrigues in charge of Kindergarten, Sr Geetha Coelho Headmistress of Kannada Primary, Sr Elizebeth Fernandes Headmistress of English Primary, Dr Sr Vinisha Lobo Headmistress of High School and PU Principal, Dr Sr Jasmine Correa Principal of Degree College. The faculty member's commitment, innovative teaching methods, and constant guidance have played a vital role in nurturing young minds and creating a positive learning environment.

PHILO FAMILY

Faculty Development Program:

We not only focus on academic excellence but also encourage creativity, critical thinking and social responsibility for faculty and the students. On 27th May faculty development program was organized to enhance the skills, teaching abilities, teaching methodologies, communication skills and professional ethics by Mr Jocelyn T Lobo professor of Roshni Nilaya, Mangalore.

On 29th May we welcomed the students to the academic year 2025-26 with joy and love imploring God's choicest blessings through a prayer service.

Acclimatization for students:

A day's orientation was given to the students to imbibe the qualities of leadership, values, time management techniques, effective study habits, goal setting and career planning, communication and presentation skills. Fr. Cyril Anand Pereira OFM and the faculty members motivated the students to start this academic year with renewed zeal. We have regular parent-teacher meet to discuss the academic progress and overall development of the students. This strengthens the bond between parents and the institution for the all-round growth of the student.

Recruitment of talents:

The talent search contention provided a platform for students to showcase their diverse skills and creativity. Students demonstrated remarkable enthusiasm, originality, and dedication throughout the competition. With the guidance of the teachers, they were able to compete in Taluk and District level bringing honour to school.

The National, State and Religious Festivals were celebrated with great enthusiasm and patriotic spirit. Students presented cultural performances that reflected the rich heritage and diversity of the nation. The celebrations brought joy and strengthened the spirit of togetherness among us.

Fitness Interventions:

Yoga trains the mind to stay present, which improves concentration, memory, and productivity-especially helpful for students and working professionals. International Yoga Day was observed maintaining balance between body and mind. Students and the faculty participated with earnestness. X std Monica secured first place in National level yoga competition bringing honour to the school.

National level Yoga First place

Nature-friendly concept:

The event aimed to instil a sense of responsibility towards nature among students and encouraged them to adopt eco-friendly habits in their daily lives celebrating Environmental day and Vanamahosthava. A sapling was planted to remark this occasion by the Eco-club students.

Parliamentary Sitting:

In an education institution, Parliament gives students opportunities to become leaders, take decisions, and guide their peers. Students were encouraged to uphold the values and reputation of the institution. The ceremony instilled confidence, pride, and a sense of responsibility among the leaders. High school and the PU students had the privilege to view the session of Karnataka Legislative Assembly, Bangalore and to meet the honourable Speaker U. T. Khader.

Constitution Day was celebrated to create awareness among students about the importance of the Constitution and its values. The program highlighted fundamental rights, duties, and responsibilities of citizens. National voters' day was celebrated on January 25 to mark the foundation of the Election Commission of India creating awareness about voting rights.

WORKSHOPS

The Institution Strongly believes in learning beyond the text books by providing students with opportunities to explore knowledge outside prescribed curriculum. Our students visited District Court, Hamul Milk dairy, MCF, Insect world.

Holistic Development Activities:

Each department organizes enriching activities for the students through various clubs to explore their interests beyond academics and develop their overall personality. Students were motivated to actively participate, showcase their creativity, and develop leadership and teamwork skills. Demonstrations and presentations by club members highlighted the scope and opportunities each club offers.

Celebrations Commemorated

Teachers' Day was celebrated to honour the dedication and guidance of teachers. The event aimed to express gratitude and respect towards the teaching staff and supportive staff. Children's Day, Youth-day, Ethnic day celebrations were lively, enjoyable, and encouraged students to explore their talents while fostering a sense of happiness and belonging. The events aimed to make students feel special and appreciated.

May 1st, Worker's Day, we gathered all our supportive staff to recognize and appreciate their contribution, dignity and well-being. We organized a day's activities, prayer service, talk, and gratefully wished them and mementoes were offered.

Marking of the Silver Jubilee of St Philomena Composite PU College, Hassan refers to the celebration of completing 25 years of Institution's establishment. It's a proud milestone that reflects growth, achievements, and contributions to education and society.

Sports day is an important annual event in education institution that promotes teamwork, and physical fitness among students. It was coupled with athletic events and games along with the cultural activities. Students exhibited their talents and won several prizes.

Our students have made a remarkable performance in the athletic and games reaching up-to the State and National levels in Basket-ball, Hand-ball and Football.

NATIONAL LEVEL HANDBALL PLAYERS STATE LEVEL FOOTBALL PLAYERS

Outreach Programs:

Being aware of the girl child's safety we regularly organize community awareness programs unit wise. POCSO, health & hygiene, road safety, career opportunities, cyber safety, women's rights laws, legal support, effects of drugs- prevention strategies to name a few. These aimed to educate students on important social and environmental issues. Talk by experts made more effective and impactful. It motivates students gain valuable insights and prepares them to face challenges with knowledge and confidence. Our Guides and Rangers are ever ready to render their service to the Institution or to the society. They receive Rajya Puraskar and strive for Rashtrapati award too. They participate regularly in the guides camp and competitions. Rangers visited the blind school students spending time with them and offered sanitary items and stationary things.

AWARENESS PROGRAMME

Conclusion: St Philomena education institution continues to strive for academic excellence and holistic development of students. Balancing administrative duties, documentation, academic responsibilities, student attendance disturbance of the modern gadgets becomes the challenging factors for teachers in this present era. The support of the management, heads of the institution, faculty members, parents and students has greatly contributed to the success of the institution. We remain committed to value-based education, innovation, and continuous improvement.
