REPORT OF KATHERINE PUBLIC SCHOOL

APRIL 2022 TO MARCH 2023.

Introduction:

“Education is the most powerful weapon which you can use to change the world”-Nelson Mandela.

The Katherine Public School is affiliated to CBSE board, Delhi. In 2014 the school got affiliated. We have Classes from LKG to X. Total strength of the school is 1,198. Total teaching staffs are 38, Non teaching staffs are 4, and Supporting Staffs are 11.

The School aims at all round development of the students. School not only provides best quality education also provides the opportunity to develop their extracurricular activities. There are nine clubs in the school such as Health and Wellness, Cultural, Literacy, Sports, Language (Hindi, English and Kannda), Mathematics, Computer, Science and Social club.

The following activities are conducted throughout the year2022-2023.

Health & Wellness

Health & Wellness club striving on the motto “healthy life, productive life, I’m happy, I’ll make others happy” this club teaches the children how to remain healthy and maintain personal and community hygiene. This club conducted the following activities. Do the 5 types of yoga and talk about its benefits, Talk about healthy food, fancy dress competition, prepare healthy food, and so on.

Science Club:

Science generates solutions for everyday life and helps us to answer the great mysteries of the universe. This club develops to develop general interest in science and to keep the students in touch with the recent advances in science. This club conducted the following activities. Make your own First Aid Box, Talk on green house effect, make a working or non working model of solar system and so on.

Eco Club:

The main motive of the Eco club is to nurture and teach the importance of environment to students. It creates a clean and green conscious among students through various innovative methods. This club conducted the following activities. Making paper bag to discourage the use of plastic, Talk on Environment pollution, Recycle plastic bottles to grow plants, Poster making on save water & save nature and so on.

Maths Club

Mathematics is the “Queen of all Science”. It is a branch science that deals with numbers, quantities and measurements. Motive of this club is to encourage a positive attitude towards mathematics and stimulate mathematical curiosity, Inspire thinking, challenge and collaboration. This club conducted the following activities. Make a Robot using geometrical shapes, Draw months in a year using ladder working model, Draw or collect different types of geometrical shapes and so on.

Computer Club:

The motive of Computer club is to provide students a platform where they gain knowledge about the anatomy of the computer and to share their knowledge on current trends in information technology. This club conducted the following activities. Make keyboard and printer in cardboard, Draw the types of computer, Write the types of mouse in chart, How to make a computer model and so on.

Literary Club:

Literary club is a paradise for thinkers and writers. In this club students will learn to analyze issues and come up with solutions also it builds beneficial skills that are much needed in various work places. This club conducted the following activities. Debate completion, Essay writing, Poem recitation, Pick and speak and so on.

Cultural Club:

Cultural is social heredity, which is transmitted from one generation to another with the accumulation of individual experiences. It Develops students cultural practices and their relation to power. This club conducted the following activities. Ground dance, Draw different types of crackers, 90's song singing competition, Drawing Karnataka map using seeds, Singing Nadageethe and so on.

English Club:

English club gives students a chance to practice English in a relaxed, informal environment, and to meet new people. The main purpose behind conducting competitions is to build self confidence, develop oratory skills and self expression. This club conducted the following activities. Quiz competition, Spelling activity, English rhymes activity, Handwriting competition, Article writing activity and so on.

Hindi & Kannada Club:

Hindi & Kannada club is to create awareness about Hindi & kannada language in campus as well in surrounding areas. The aim of this club is to foster love for the language. This club conducted the following activities. Action words, Poster making competition, Great leaders poets in Hindi & Kannada, Identifying the fruits pictures with names and so on.

Celebrations:

A festival is an occasion of enjoyment and celebration which promotes a child's social interaction and harmony. Kids will remember an important day or festival day only if they are told about what the occasion signifies. So a celebration makes them to aware of the things in a more fun and happy way. There are some of the days celebrated in all the schools are Independence Day, Republic day, Teacher's Day, children's day, Kannada Rajyostava, Sports day etc. apart from these some other famous festivals of India include Christmas, Holi, Diwali, etc. When children from different regions and backgrounds experience this joy of festivals which they celebrate together, it truly enhances and glorifies the Indian culture. So apart from classroom learning, the teacher encourages students to celebrate and enjoy each and every festival and event with great fun, zeal, and enthusiasm.

Thanks & Regards
