

Holy Cross Convent English Medium School & PU College, Bidi
Annual Report to KRCE 2022-23

Hoy Cross Convent English Medium School & PU college, Bidi, is situated in the outskirts of Belgaum Diocese. It caters to the village children who come from almost 80 villages. The main occupation of the people is farming. The school is well known in Khanapur Taluk for its holistic and best education with co-curricular and extra curricular activities. School has a large ground, many taluk level sports are conducted in the campus. Eight buses are made available to the students to come from interior villages.

School is from Nursery to P.U.C. that started in the year 2002 and upgraded to PUC in the year 2016. **The strength of the school is : 55 in LKG, 105 in UKG, 667 in lower primary, 275 higher primary and 438 in high school.** We have 58 Science students and 23 Commerce students for P.U.C. The total strength is 1621 of which 5% are Christians, 12% are Muslims and 83% are Hindus. The total number of teaching and non-teaching staff is 74.

The annual results of SSLC for the past few years is very good. Total 9 batches are passed out of which 6 batches result was 100% and three batches have 99% of result. College is growing gradually.

The staff are given seminar at the beginning of every academic year and in-service training is given as per the need. All the staff are dedicated and they care for the students under their care. All the National and local festivals are celebrated with cultural events. As part of Amrithmahostav of Independence Day we invited 30 ex-army men of Bidi and the surrounding villages and honoured them for all the sacrifices they have made for our country. School Annual day / Sports day is celebrated every year with lot of cultural shows.

Many students participated and bagged prizes in Arts & Sports conducted by the Cluster, Taluk and District level. **Nagaraj Talwar of VII standard brought laurel to the school by bagging the first prize in National Level Karate competition** held at Goa. We were honoured to receive the Green Campus award by the Beguam District Administration.
