

EVENT: zenith
DATE: 27.08.24

ZENITH, a celebration of science, was held on August 27, 2024. The Chief Guest for the day was Mrs. PK Selvi, Additional Director (Scientist E) at the Central Pollution Control Board (MOEF and CC Bengaluru). The fest was a source of immense joy and pleasure for all involved. The students were delighted to present various programs and events, making the day a resounding success. Mrs. PK Selvi and our Principal, Sr. Nancy, were requested to light the ceremonial lamp and officially commence the festivities, which was followed by a beautiful prayer dance. The events of the day were entirely science-themed, featuring both on-stage and off-stage activities. The on-stage events included 'Science Scoop' and 'Molecule Mania,' while the off-stage events featured 'Eureka Emotes,' 'Miniature Masters,' and 'Wellness Whip-Up.' The celebration was a testament to the students' enthusiasm and dedication to the field of science.
